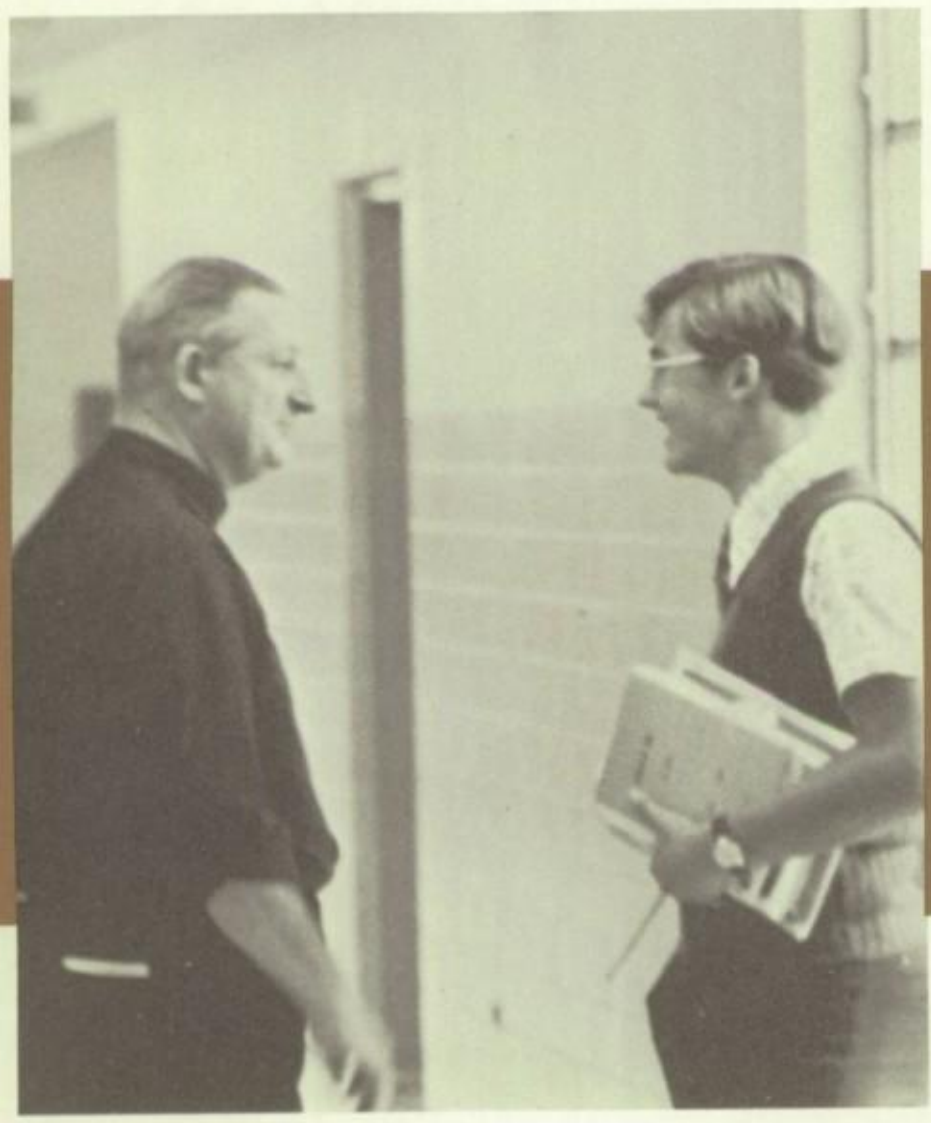
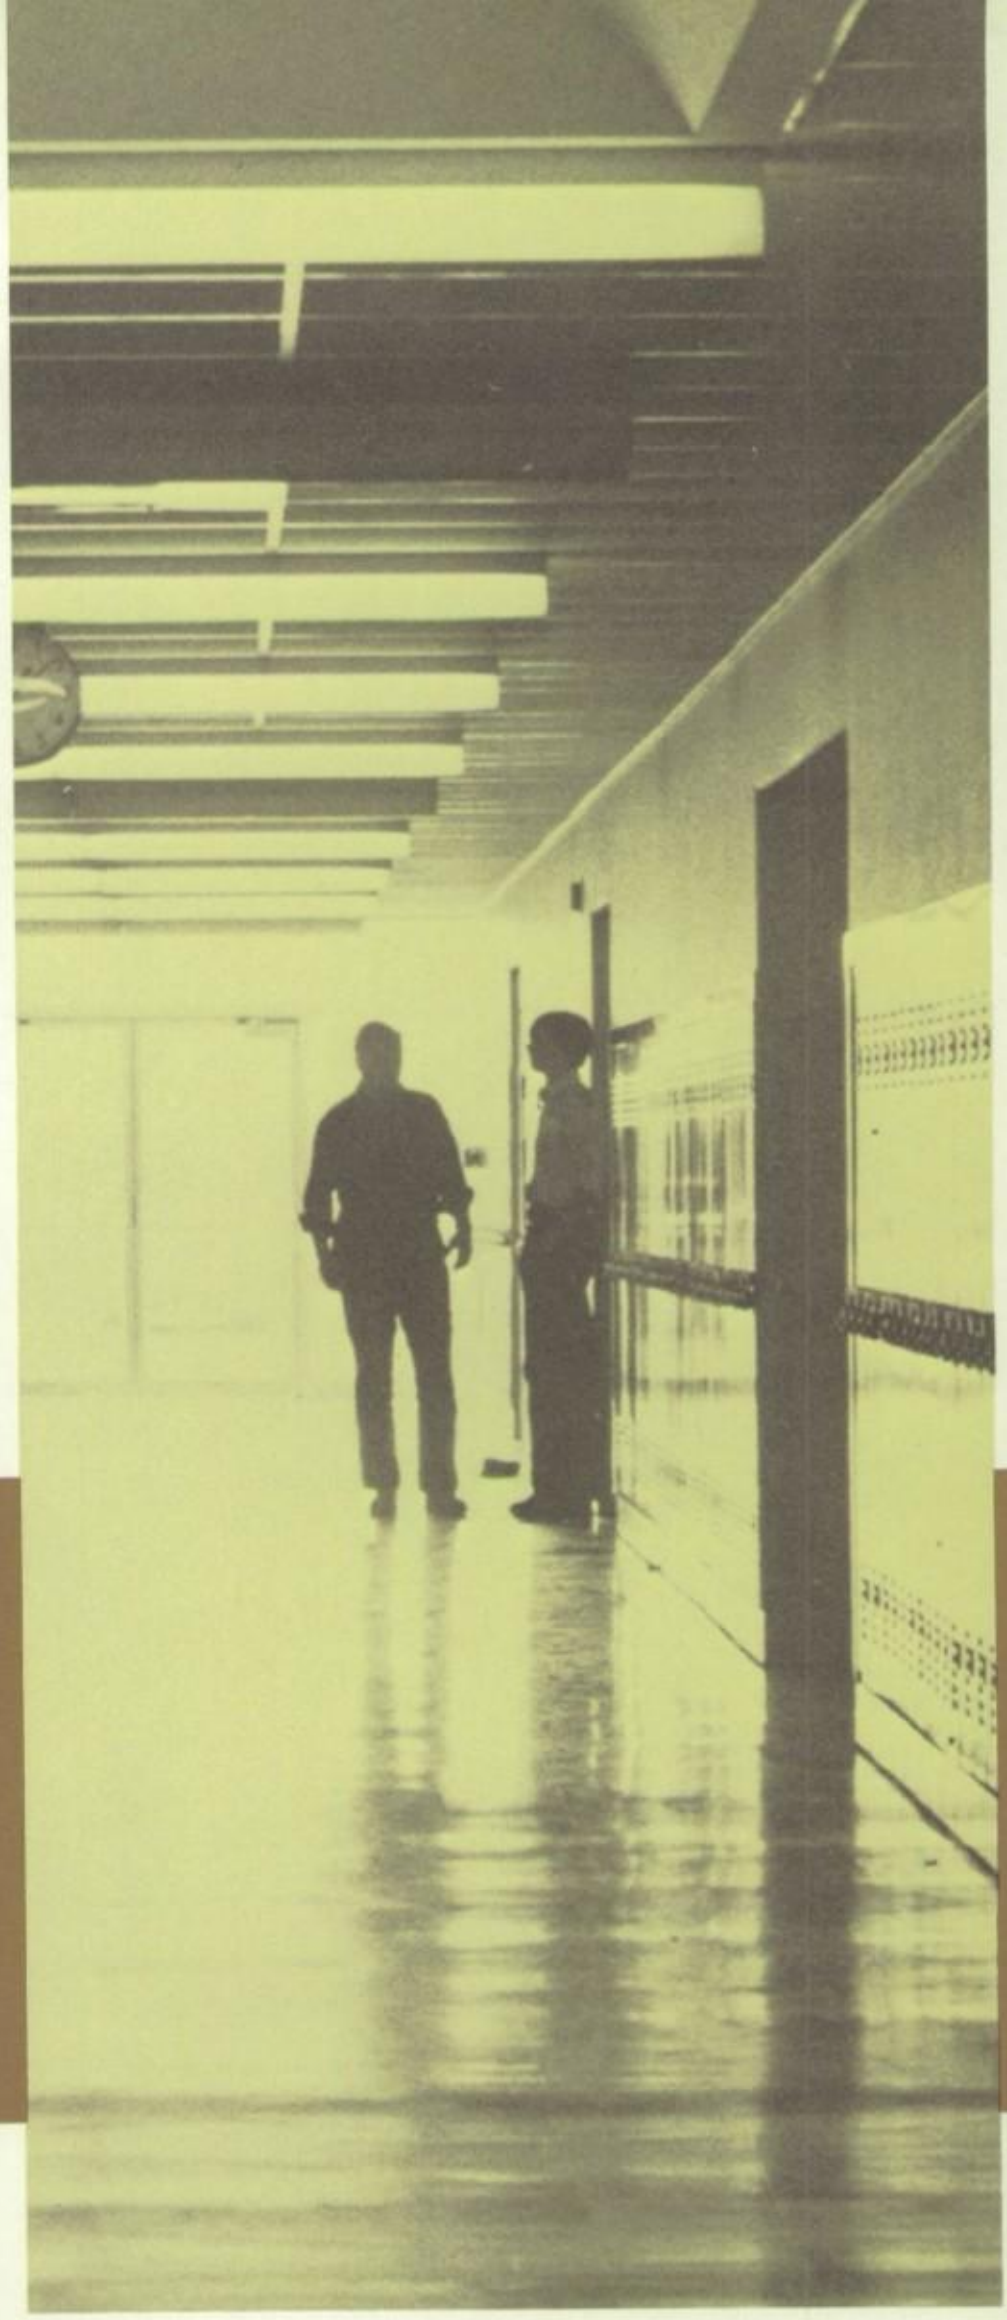
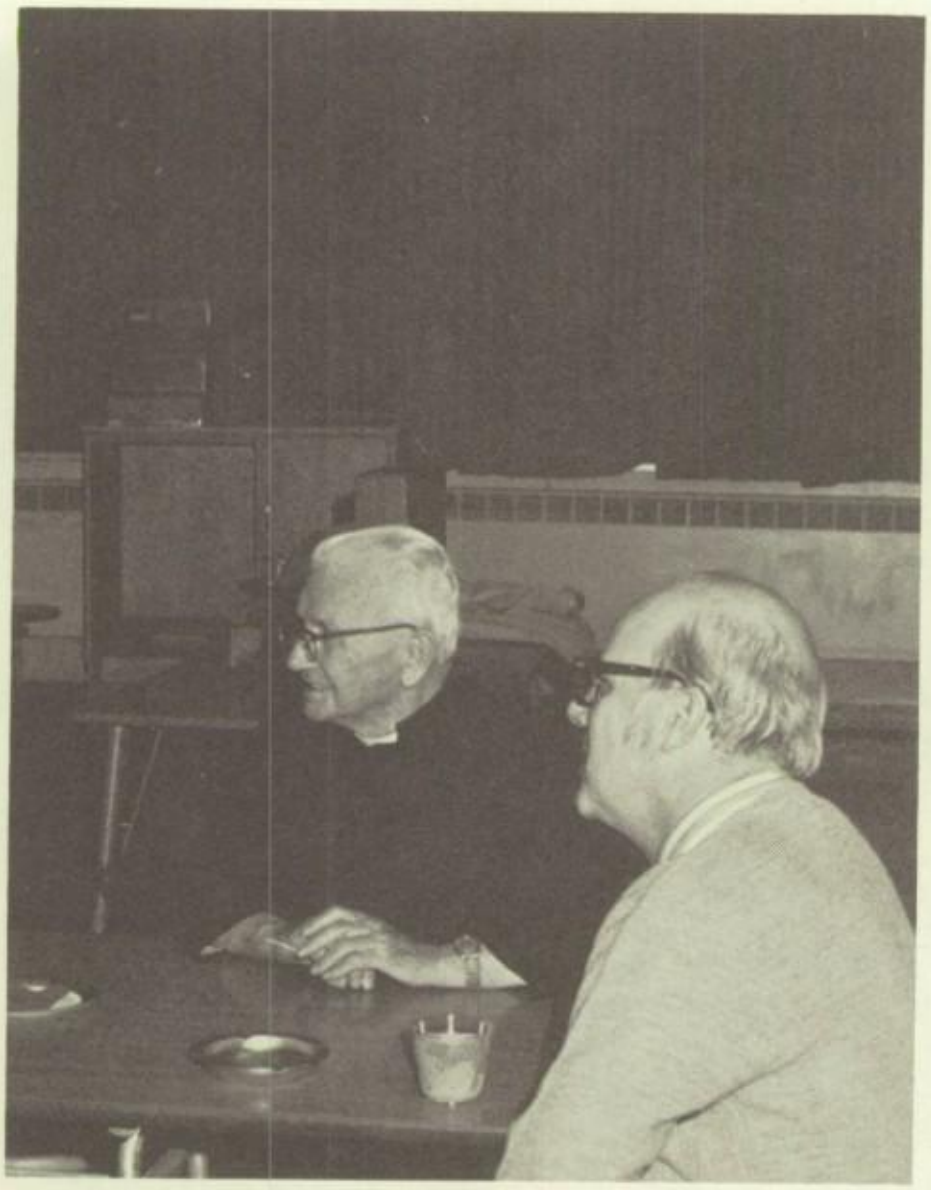
Volume 10



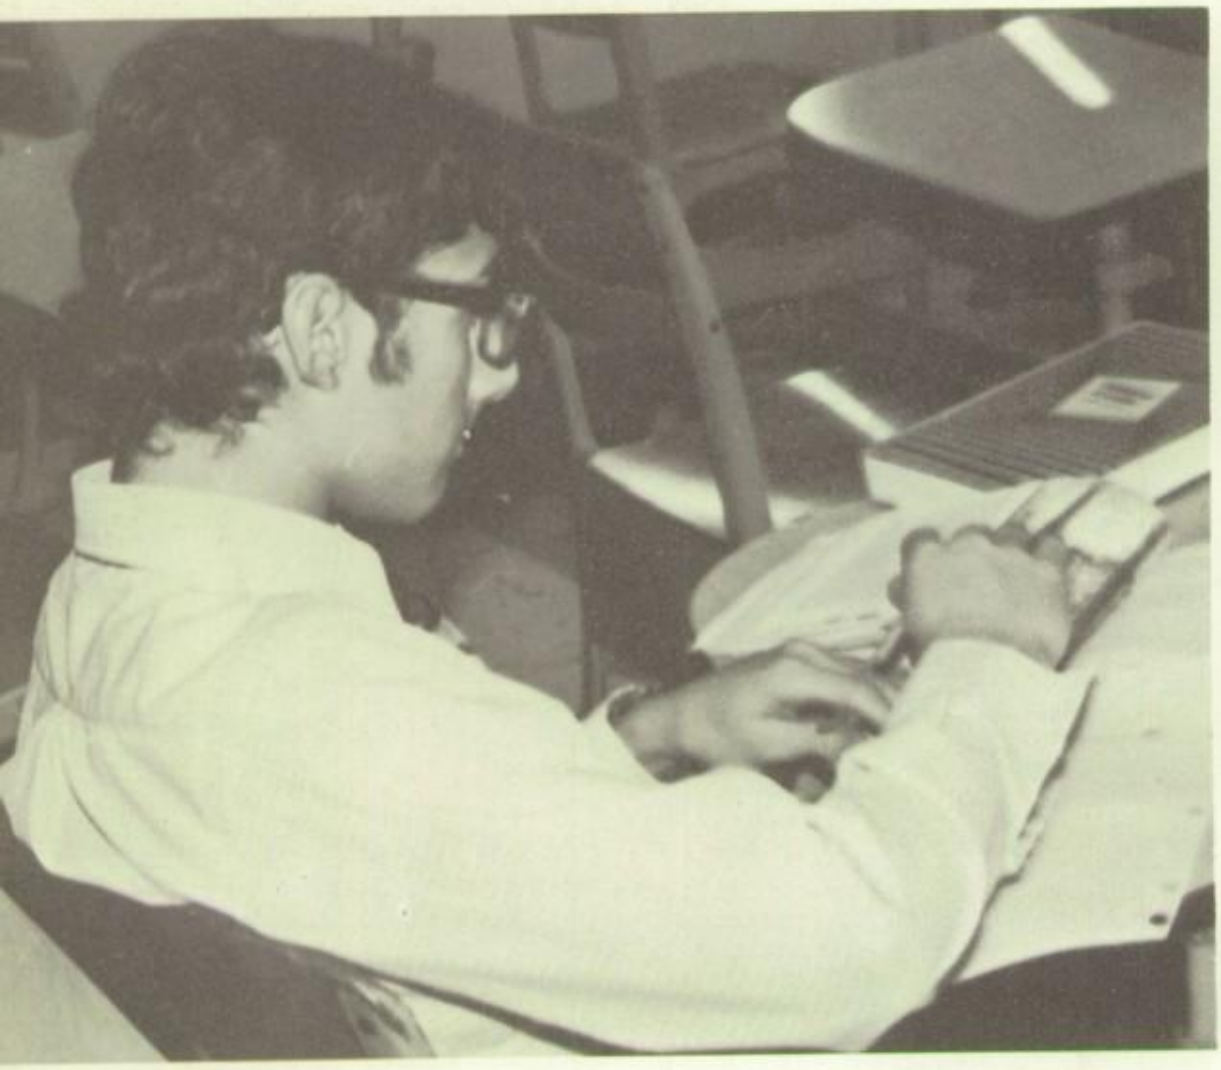


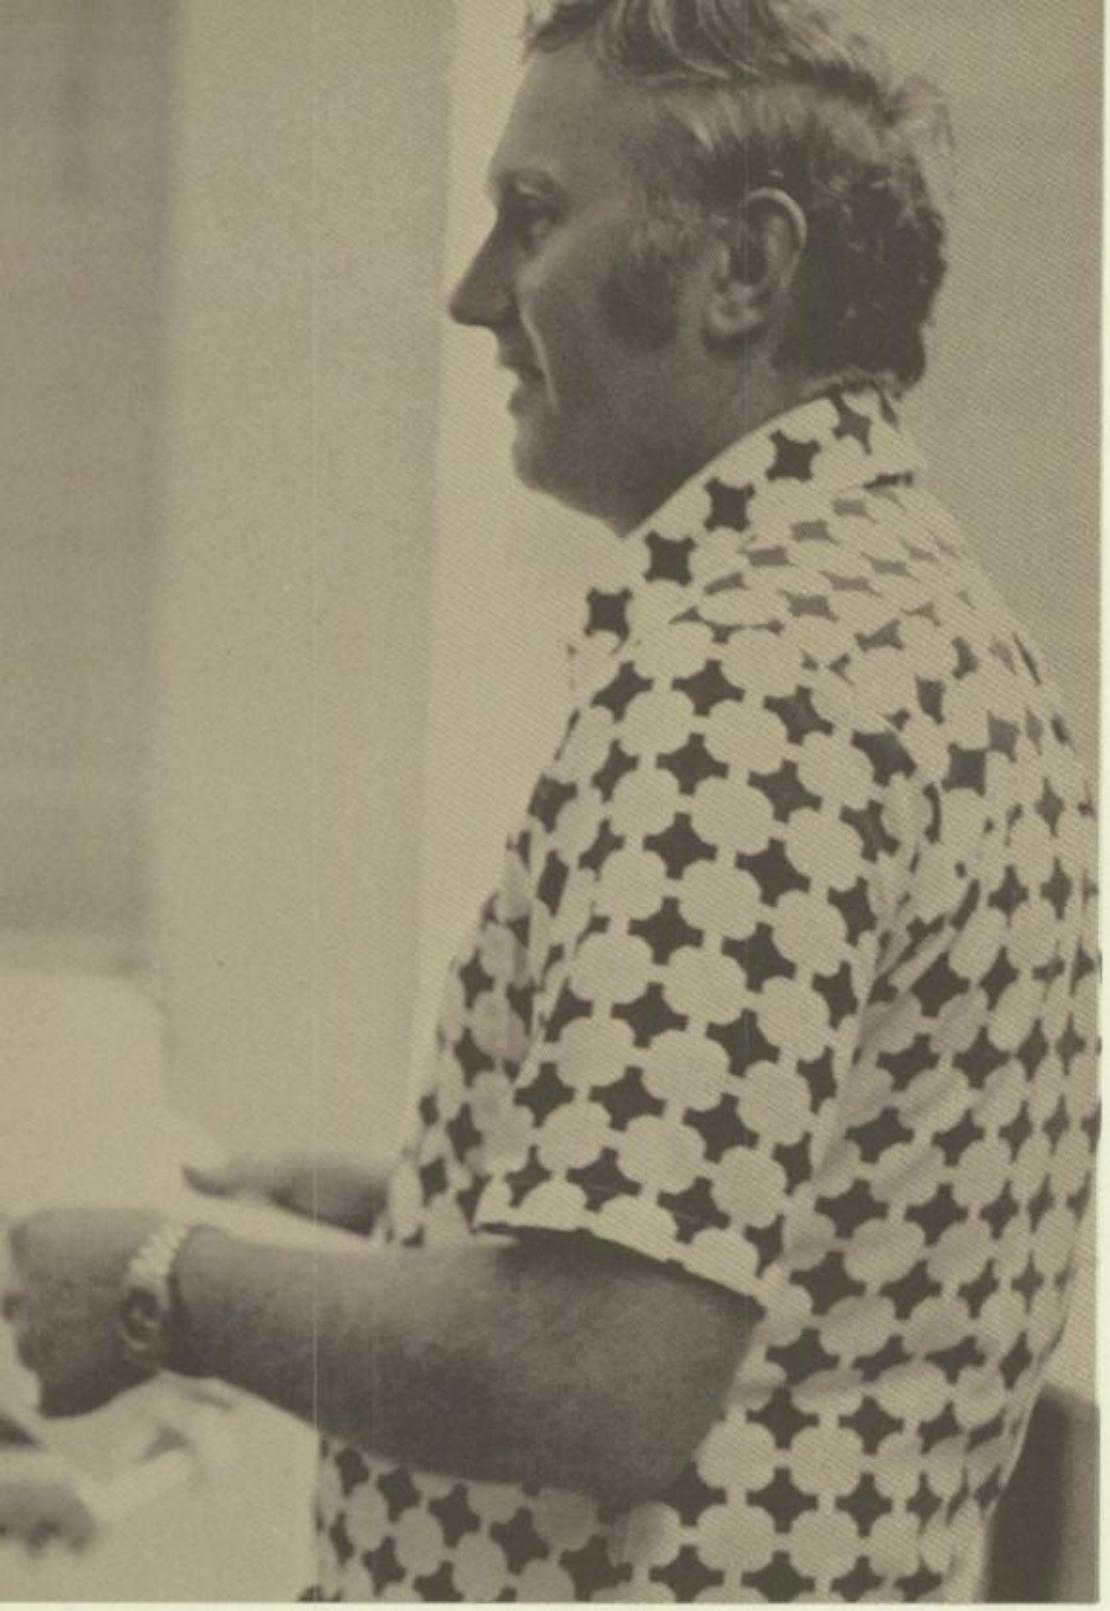


Friendship grows

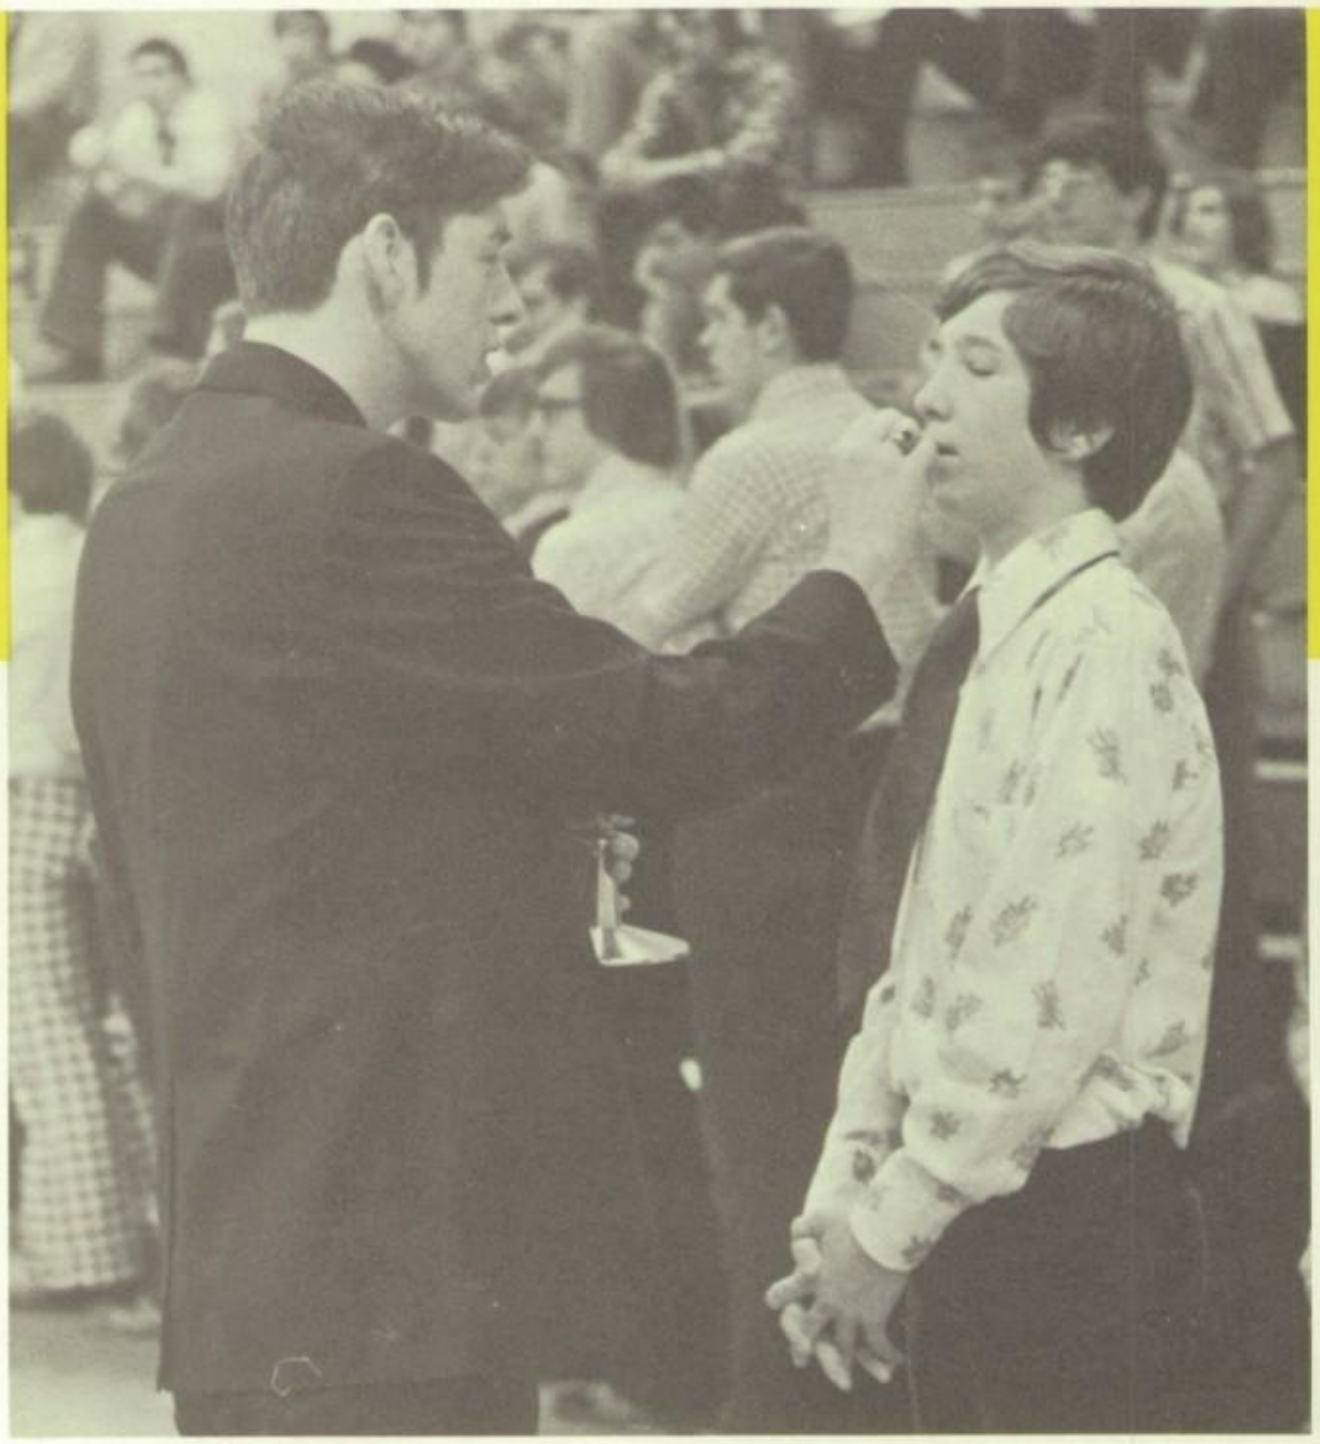
To fully experience the joys of being alive on this Earth, each and every person needs someone to share the good and bad times of life.

Expanding minds



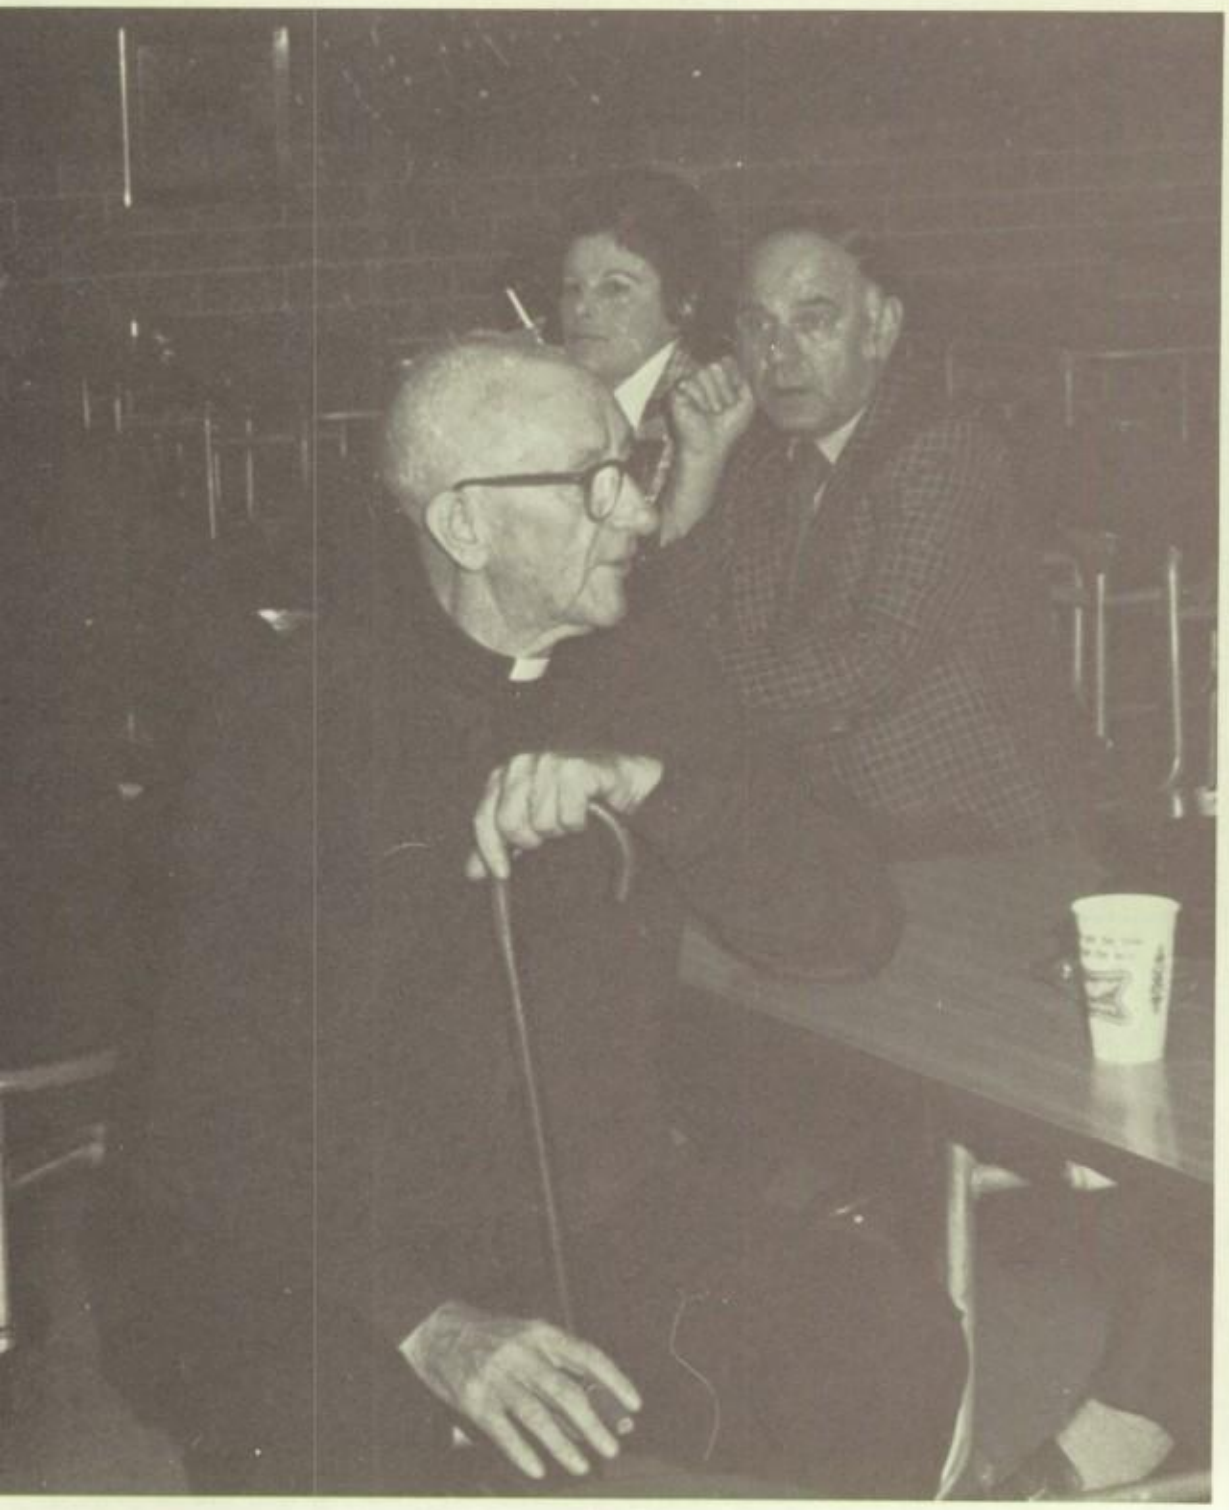


In an age when ignorance seems to be thriving a mind that is constantly growing is necessary to express one's appreciation for the talents he has been given.



Discovering faith

Each person who lives in this world searches for something that will give his life meaning and in the process he discovers God.



Community involvement

Life is a complicated structure made up of individuals contributing to the benefit of the whole and working for the needs of others.

FACULTY ON THE MOVE

Accepting responsibility,
the teacher strives
to open the student's
awareness of life,
and to appreciate and
work for the betterment
of the world.

Founding Principal returns to St. Laurence

St. Laurence experienced a change in administrative heads as Br. Manning became the new principal in place of the departing Br. Collins. Br. Manning said that he had had "no drastic problems" in reassuming the principal's job after a nine year absence. "The administration was so well organized," he said, "that it was just a matter of continuing what was already here."

Because of this good organization, Br. Manning's only goal was "to maintain or, if possible, increase the spirit of St. Laurence." He said that he had never met with such "a tremendous enthusiasm from the students in their studies and extra-curricular activities." Br. Manning added that parent interest has been superb throughout the year.

About the only change institued in the administration invloved the addition of Br. Grimaldi as administrative assistant. Besides helping Mr. Mahoney, he acted as a public relations director for the school. Also, he handled the candy drive, visited elementary schools on their "high school night," and instituted a school news bureau that contacted neighborhood newspapers about events at school.

Another change in personnel took place in the treasurer's office. Mrs. Goodenow took over for Br. G.A. O'Donnell when he retired. She was Brother's secretary last year. Mrs Swiatek became the new secretary to the treasurer.

Mr. Mahoney remained on as the assistant principal. He said that he had no real problems in adjusting to the new principal. He said that the goal of his office, as it has been in years past, was to offer courses that were of value to the students. About the only change that took place was to hand out next year's scheduling sheets in February instead of the usual April.

Mrs. Schabert has been the school's secretary for the past two years. Cathy Chikow, a senior at Queen of Peace, assisted her after school. Mrs. Schabert said that she had encountered no real problems in her job. She said that she enjoys it and that is why her main objective was to make everyone feel welcome.

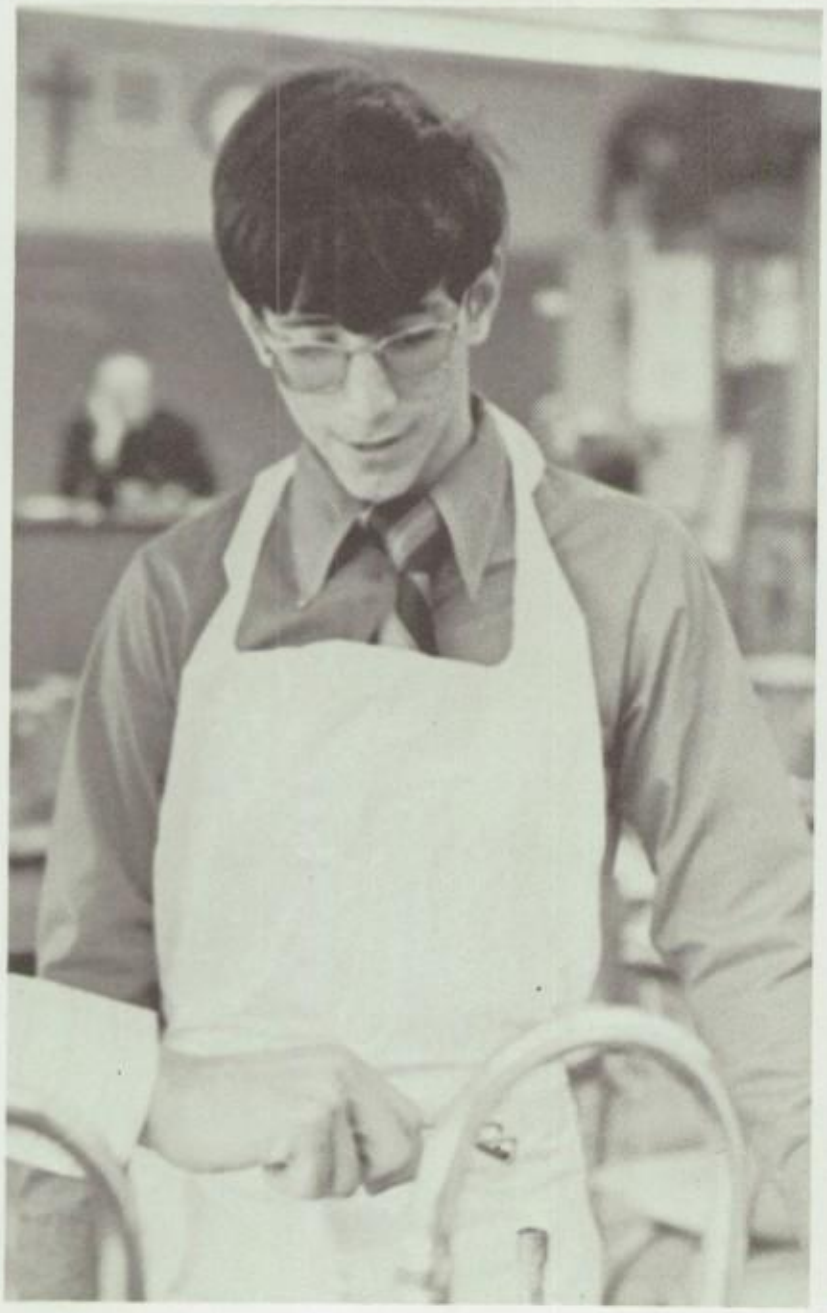
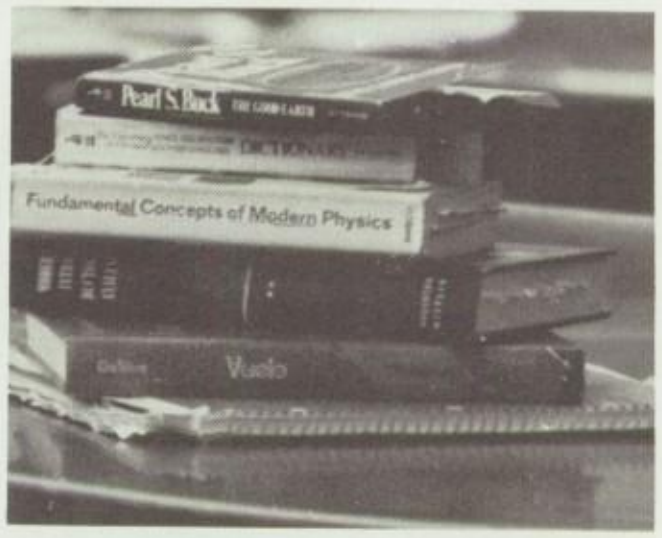
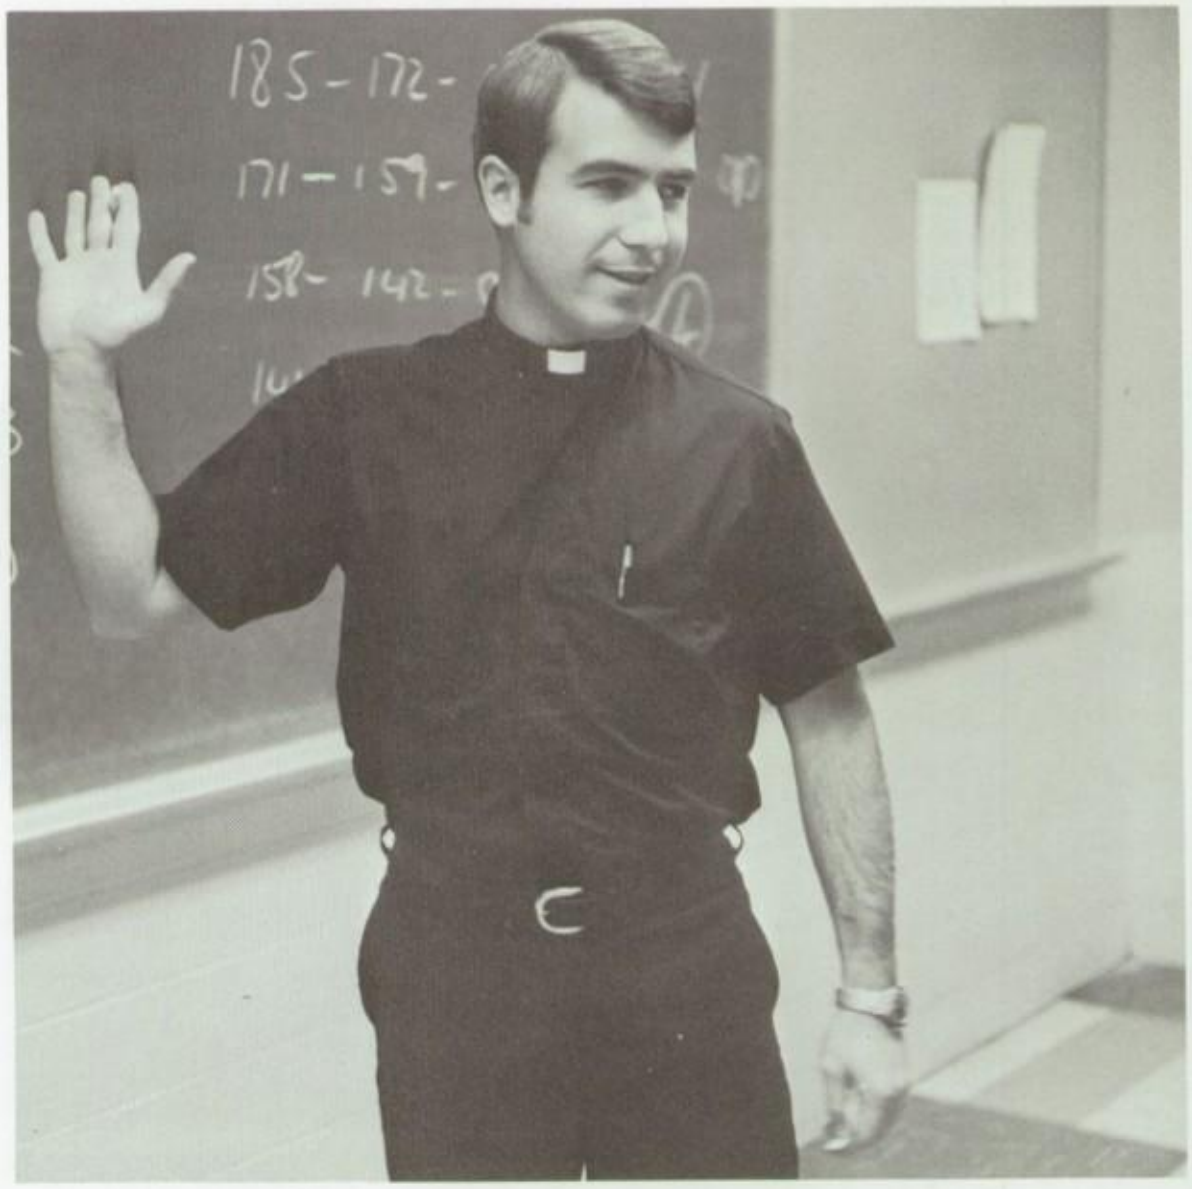
ACADEMICS ON THE MOVE



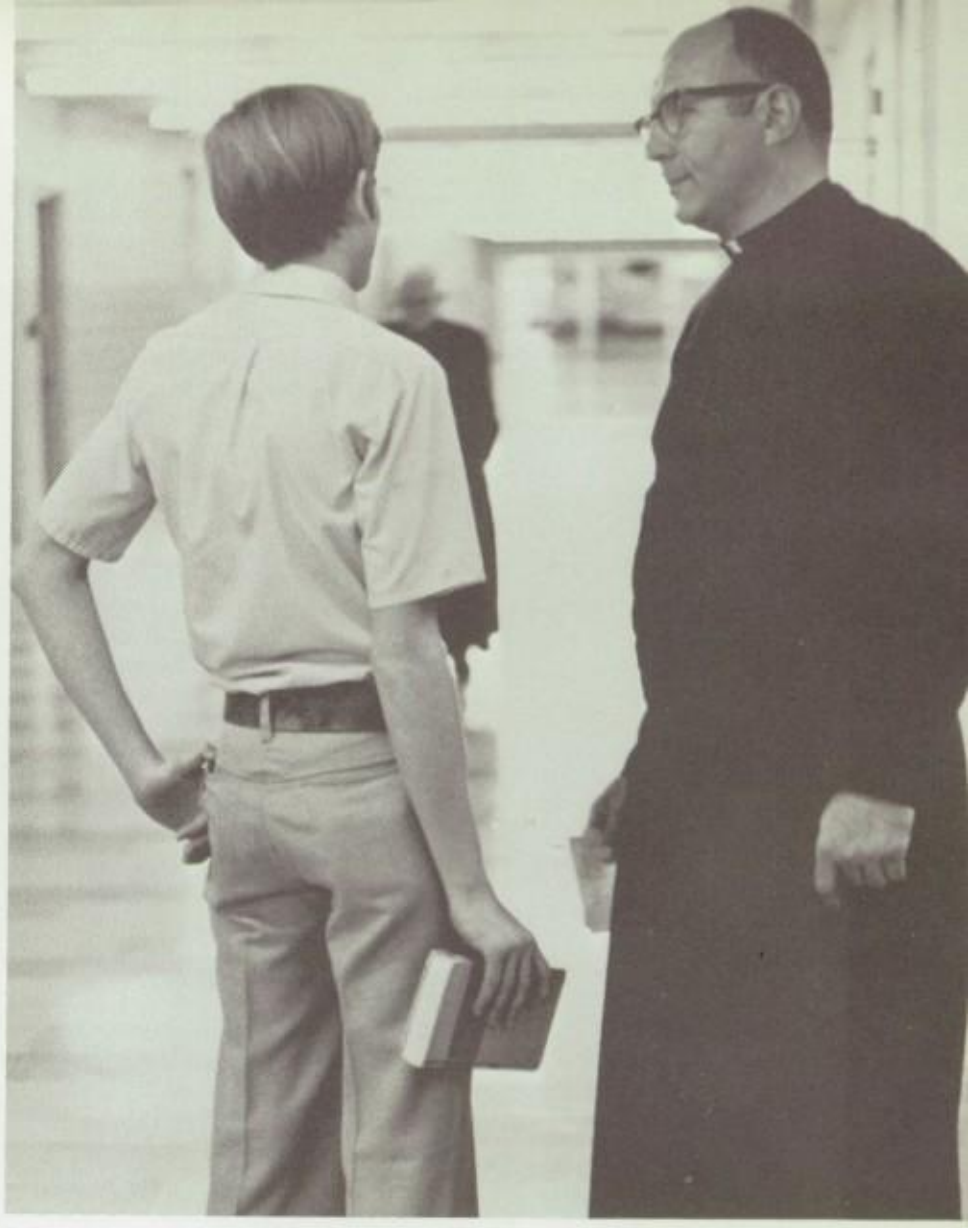


In order for man
to appreciate his value
a thorough knowledge of
academics is necessary.
For an educated man is
equipped to meet life's
challenges.

Business gears students for future



Br. Lasik, the head of the Business Department, says that the pursuit of the department is to present more of a challenge to the students. One new technique was to initiate a full year of typing. Br. Lasik says that this gives the students a better chance to improve their ability at the typewriter. All business courses have been geared more to a college equivalent since it provides a better understanding for the basic knowledge of Business.

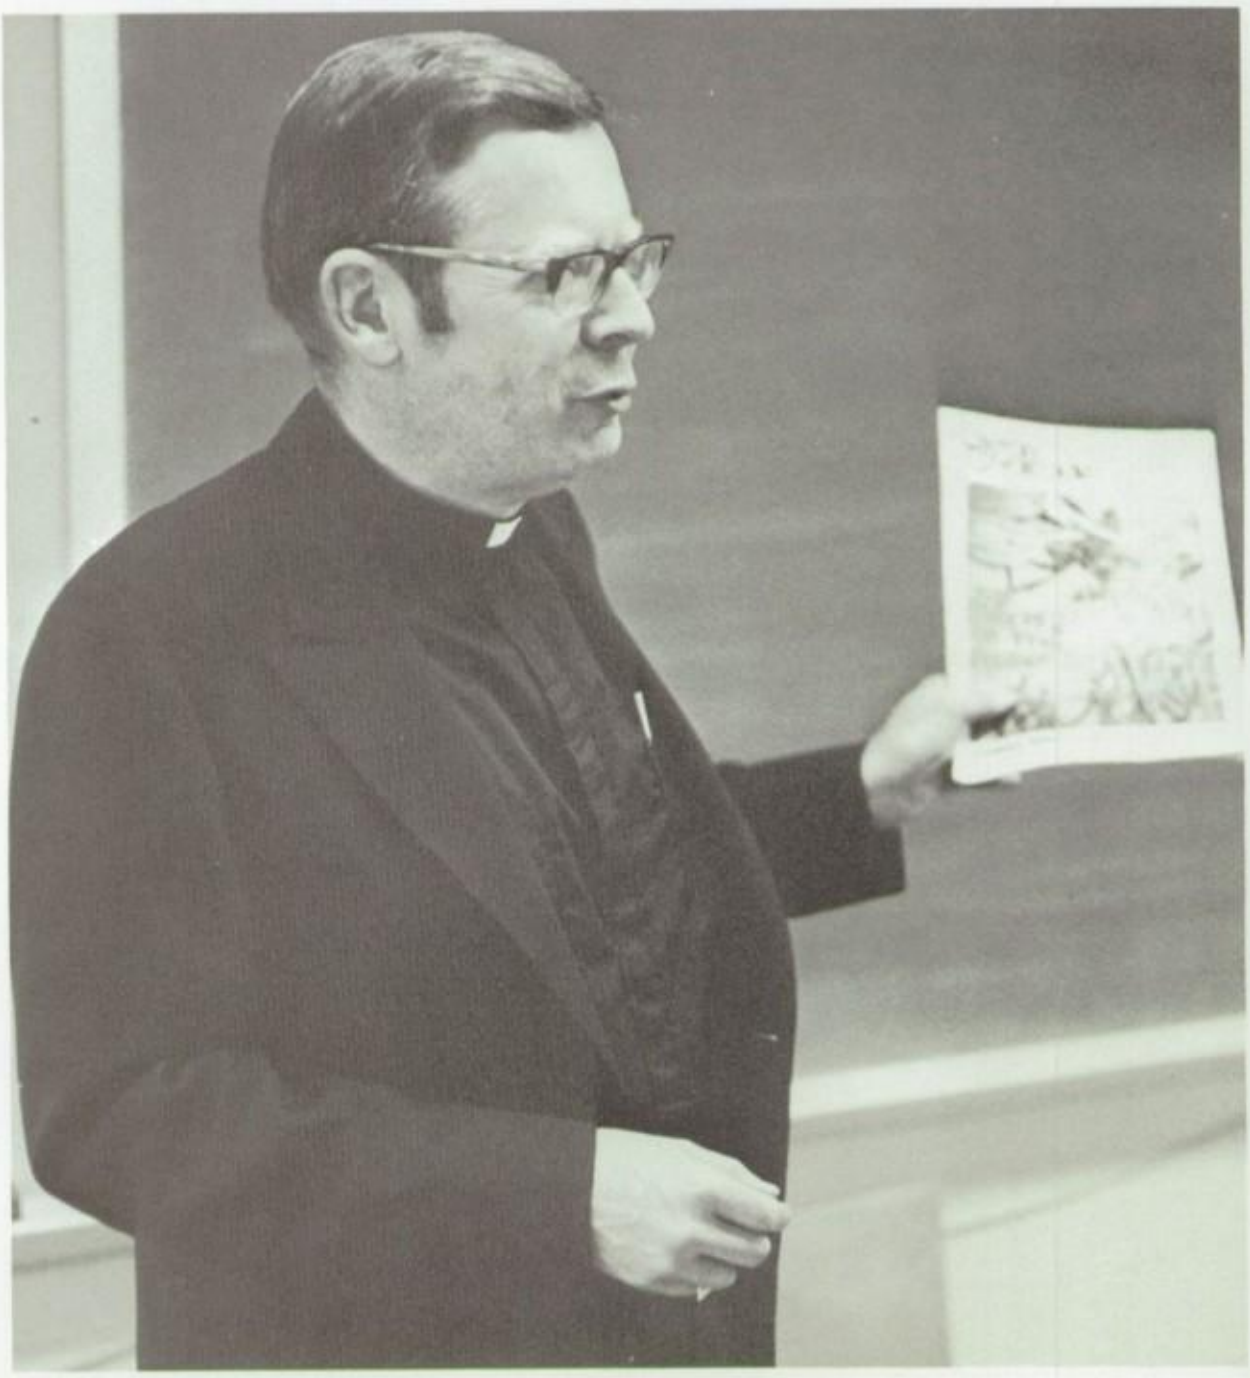


Opposite page, above: Br. Sciaraffa explains his grading system to one of his Business Law classes. **Opposite page, below:** Mrs. Stephens dictates a typing lesson to her third period class. **Above left:** Mr. Engler's students are taught the methods of drafting. **Above:** Br. Lasik, as head of the department and Dean of Discipline, sees that students' problems are taken care of. **Left:** Mrs. Stephens corrects the typing folders on Thursday.

With a core curriculum of grammar and literature, the English department assisted students in mastering the language of their birth. The department is capably run by Br. Conefrey and Mr. Gorman, assisted by a well-experienced staff. In the fall, the department welcomed a new member, Miss Turek, who now teaches a Sophomore class.

Courses vary from Freshmen to Senior year. The department requires Freshmen to take a course in Developmental reading, which teaches the student to improve his comprehension at a faster reading rate. Freshmen also had the option of taking an extra English Arts class, which combines creative writing with speech.

In Senior year, students could take a film study class. This class' popularity grew from two classes to five classes. These special classes, combined with grammar and literature, helped to formulate a better English course of studies for all students.



Special courses highlight English studies

Conefrey describes a new literary magazine to his students. **Below:** Mr. Lynch "dramatizes" his thoughts on the matter of English grammar. **Left:** Mr. O'Keefe quizzes his class for an upcoming test.

Languages introduce students to foreign culture

The goals of the St. Laurence Language Department, which offers: French, Spanish, and Latin, are to give students a basic knowledge of the grammar of these languages and to develop the students ability to understand, speak, read and write one of these languages. Developing the students appreciaiton and understanding of the culture prepare him to meet the requirements of colleges and universities and develop his linguistic talents so he may achieve personal enrichment.

Two new teachers were added to the Language Department's roster this year. They are Mrs. Huels; Spanish I & II, and Brother Grimaldi; French II & IV. Repairs were made on present equipment and some new equipment has been added to the Language Lab, making it more available to teachers and students.

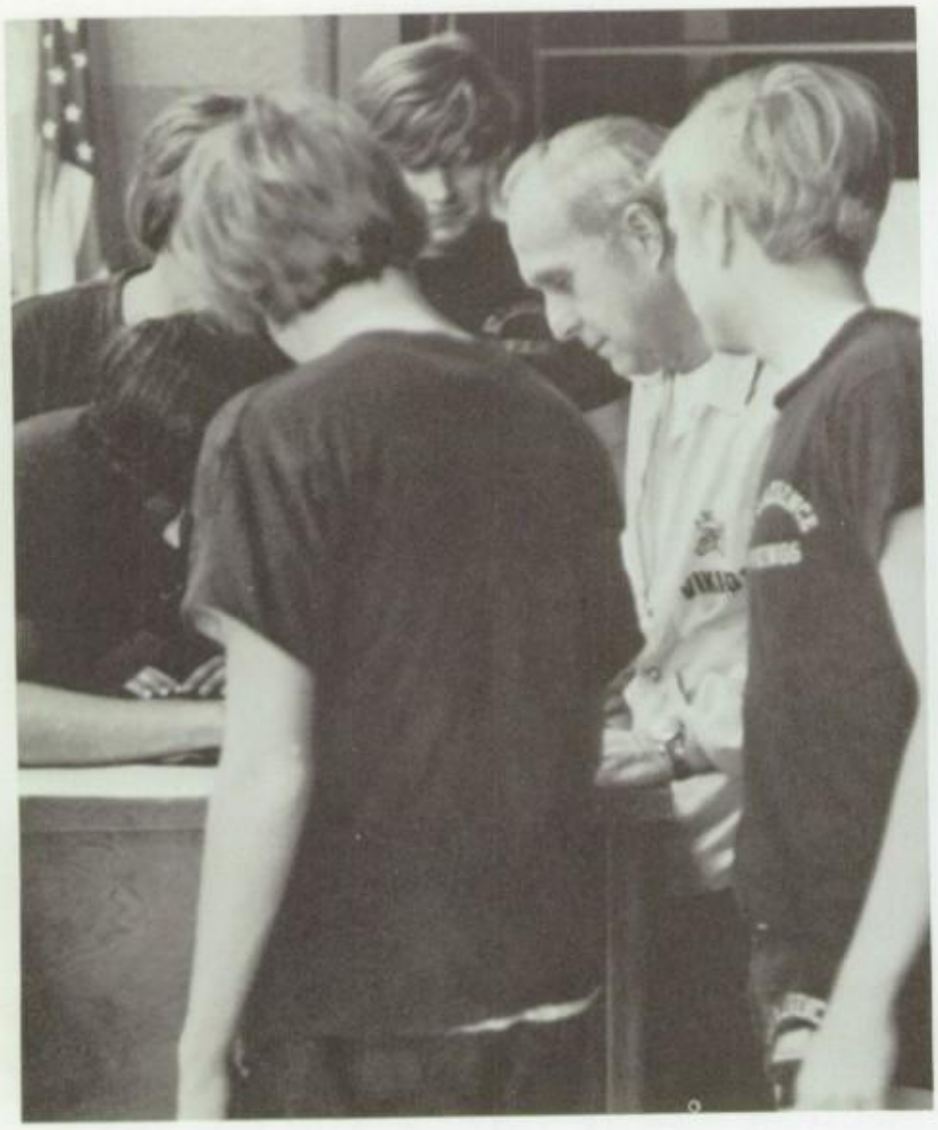
New teaching methods aid Math students

Preparing today's student for the ever increasing challenges of college life is a task which is seriously taken by the Math Department. With Mr. Carpenter as the chairman of the Math Department, the teachers unite to help their students through all the aspects of mathematical functions and analysis. The increasing math scores on the S.A.T. tests prove the efficiency of their teaching methods.

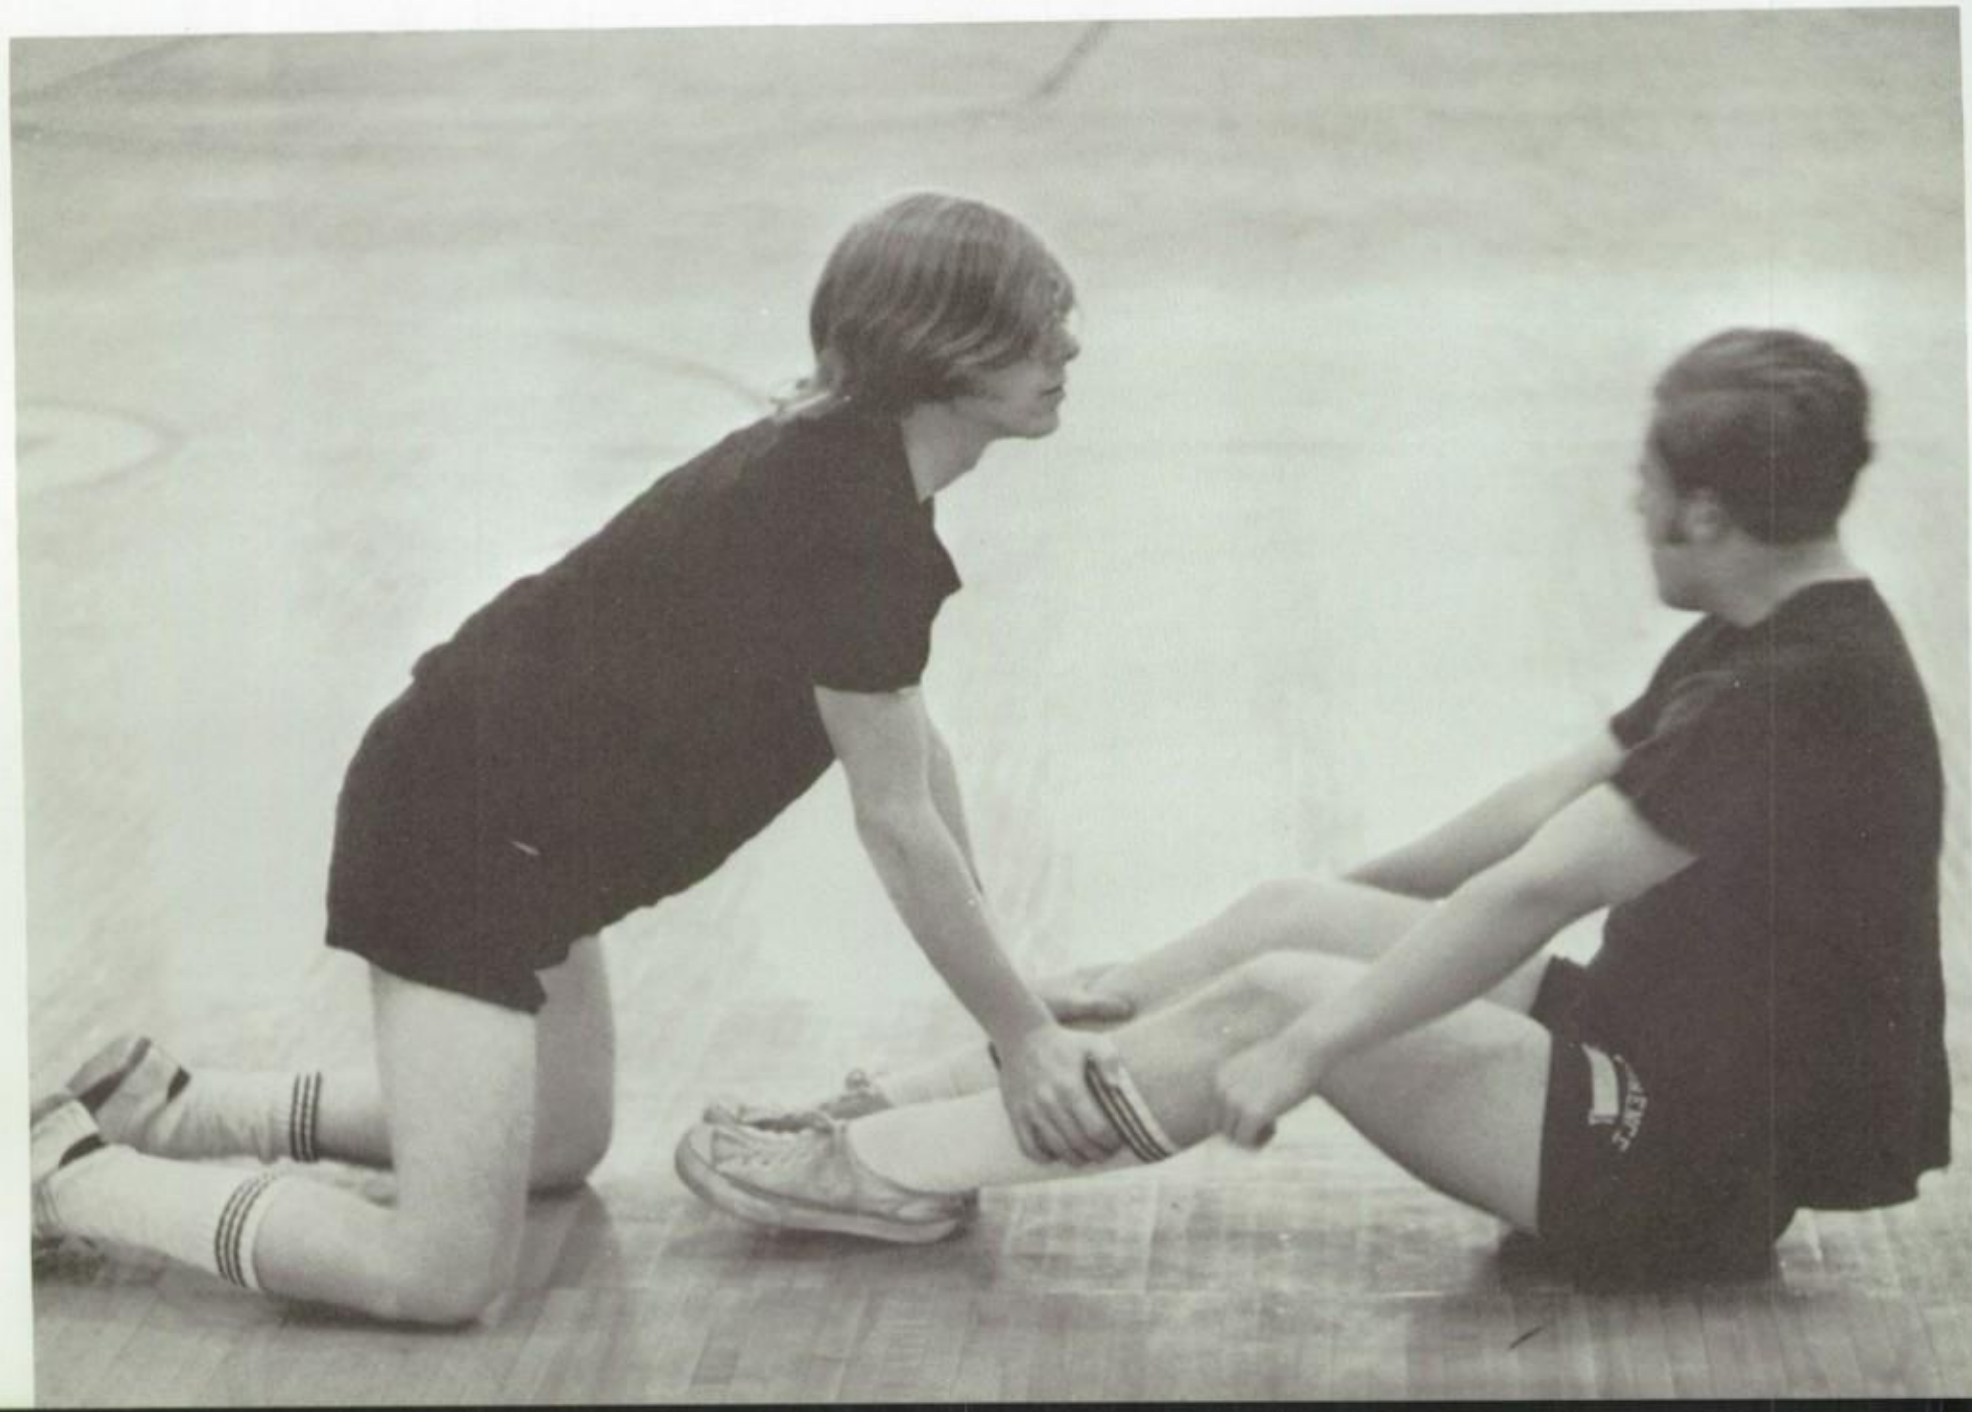
This year Mr. Carpenter initiated a new course called Fundamental Math Topics. This senior course deals more with topics which are related to every day life than with the memorization of theorems and formulas.

New members of the Math Department this year included Br. Donnelly, who taught freshman and senior math, and Br. O'Donnell, who taught freshman math.

Donnelly points out some basic Algebraic functions. **Above, left:** Bill Hintz works intensely on a difficult Math problems. **Middle:** Mr. Carpenter teaching his Seniors Fundamental Math. **Bottom Left:** Br. Cotter explains some basic principles of Trigonometry. **Left:** Mr. Dykas checks over homework assignments.



Guest speakers highlight Physical Education



The Physical Education department stressed physical fitness and mental awareness by inviting technique specialists to the school to test the ability of the students. Steps toward this goal were taken when representatives from the United States Marine Corps gave a Physical fitness test. Certificates were presented to students who completed all the requirements of running, jumping, push-ups, pull-ups and sit-ups. Also a representative from Apollo Products Inc. came to St. Laurence to give a demonstration on the Apollo Exerciser.

Another step toward improving the P.E. department involved eliminating the crowded conditions in the gym. Seniors opted to take one gym class a week instead of two or three, thus reducing class sizes.

The department also made purchases to replace some of the worn out equipment.

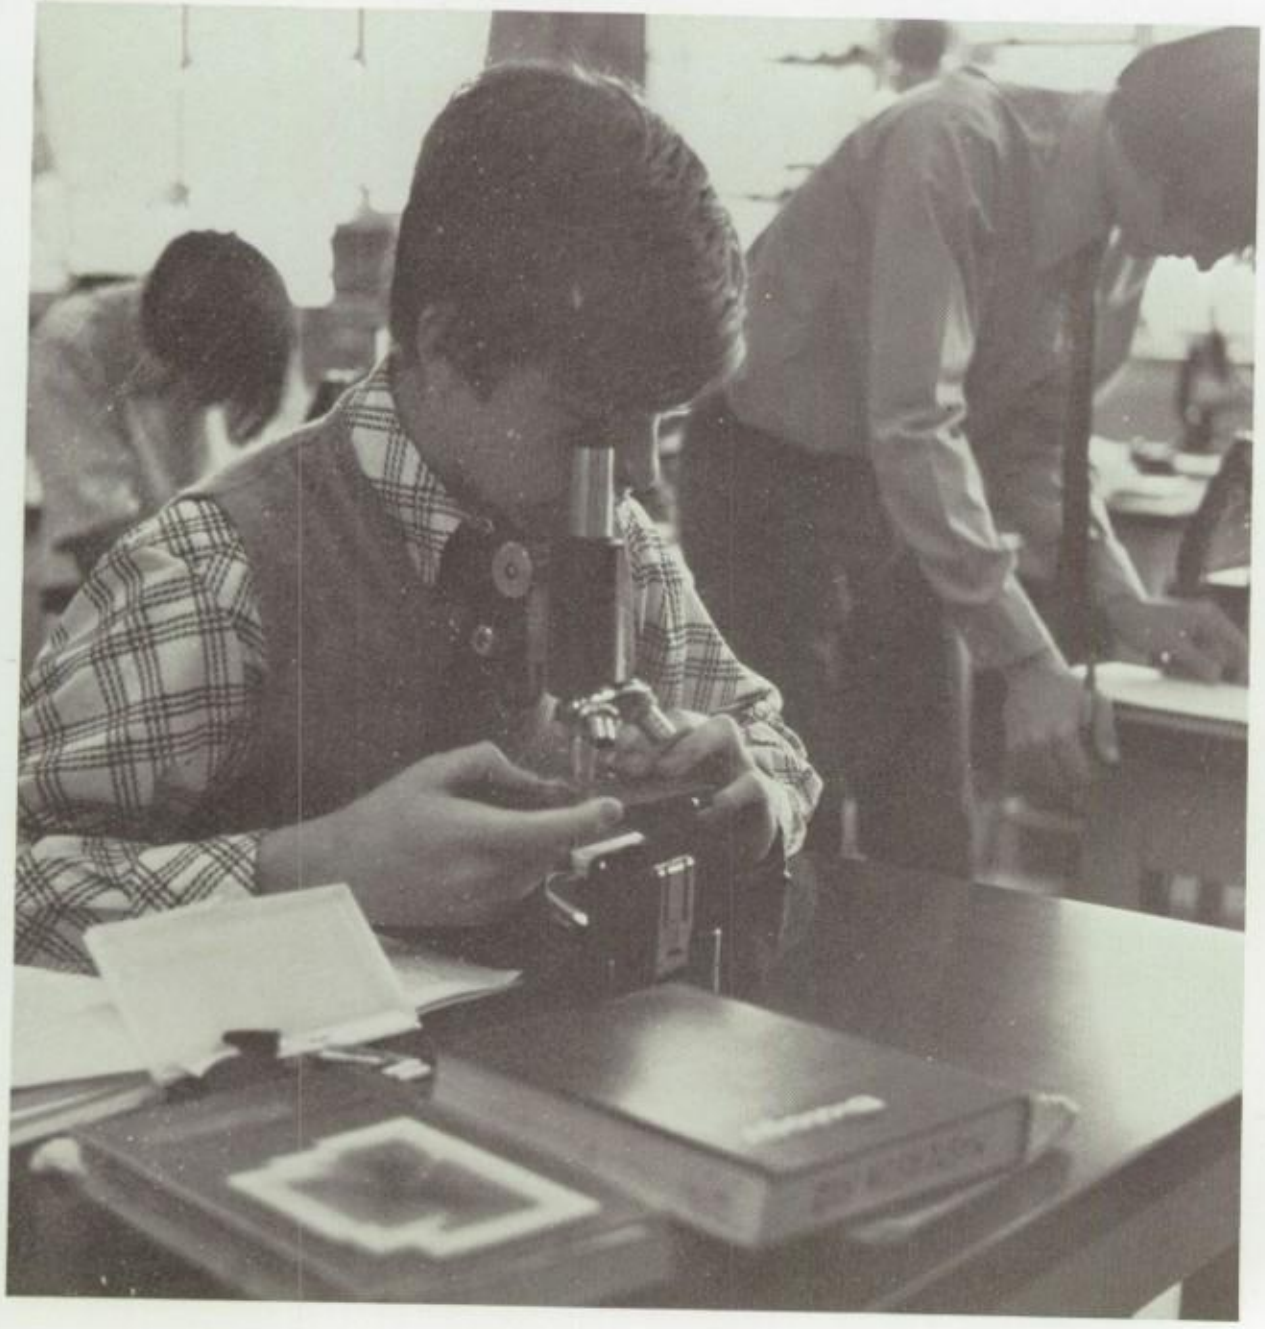
Science moves into the future



In Science, a basic understanding of the natural laws and properties of the universe is needed. Under the direction of Brother Enright, seven hundred students are guided through a program balanced between writing and memorization in the classroom and practical applications in the laboratory.

Each student at St. Laurence is required to take one year of science but may take up to three years. Sophomores, both honors and non-honors, can take a generalized biology course. Those who prefer may take Physical Science, however, which deals with the structures and properties of matter. Juniors, both honors and non-honors may take Chemistry while physics is offered to those seniors who meet the mathematical qualifications and are inclined toward a lab science.

In the fall 3 new members joined the department's staff: Brother Verre, a Biology teacher and Brother O'Donnell guides seniors through Physics. Mr. Fowler, the dean, also began teaching Physical Science.

Under the watchful eye of Br. N.T. Murphy, the St. Laurence Social Studies program strove to make students more aware of the events going on in the world around them. Teachers did this by concentrating on political affairs both here at home and abroad.

Mr. Mangan and Mr. Gorman originated a new history class for juniors by combining American History and American Literature. This course followed the technique of chronological studies of each disicipline. Br. Rutkowski joined the staff, teaching World and American History.

Program continuity new theology goal

The combination of continuity in the program and good texts was the goal of the theology department this year. The staff knew that the current texts had brought results with its explanations and evaluations, and that a continuity in this text would supplement the work of the previous year. By combining them, they felt the student would get the most from courses.

In its program, St. Laurence offered general courses for freshmen and sophomores. For juniors and seniors, the department offered "Ethics of Jesus", "Sexuality and Marriage", and "Conscience Formation". Upperclassmen also had the opportunity to attend several TEC and St. Laurence — Queen of Peace retreats. Freshmen, sophomore, and junior classes travelled to the Evergreen Plaza Theater to see the movie **Jesus Christ Superstar** on December seventeenth.

New members of the theology department were Br. S.E. Leahy, Miss A. Turek, Mr. M. Quinn, and Mr. M.T. Walsh. In all, fifteen members composed the staff.

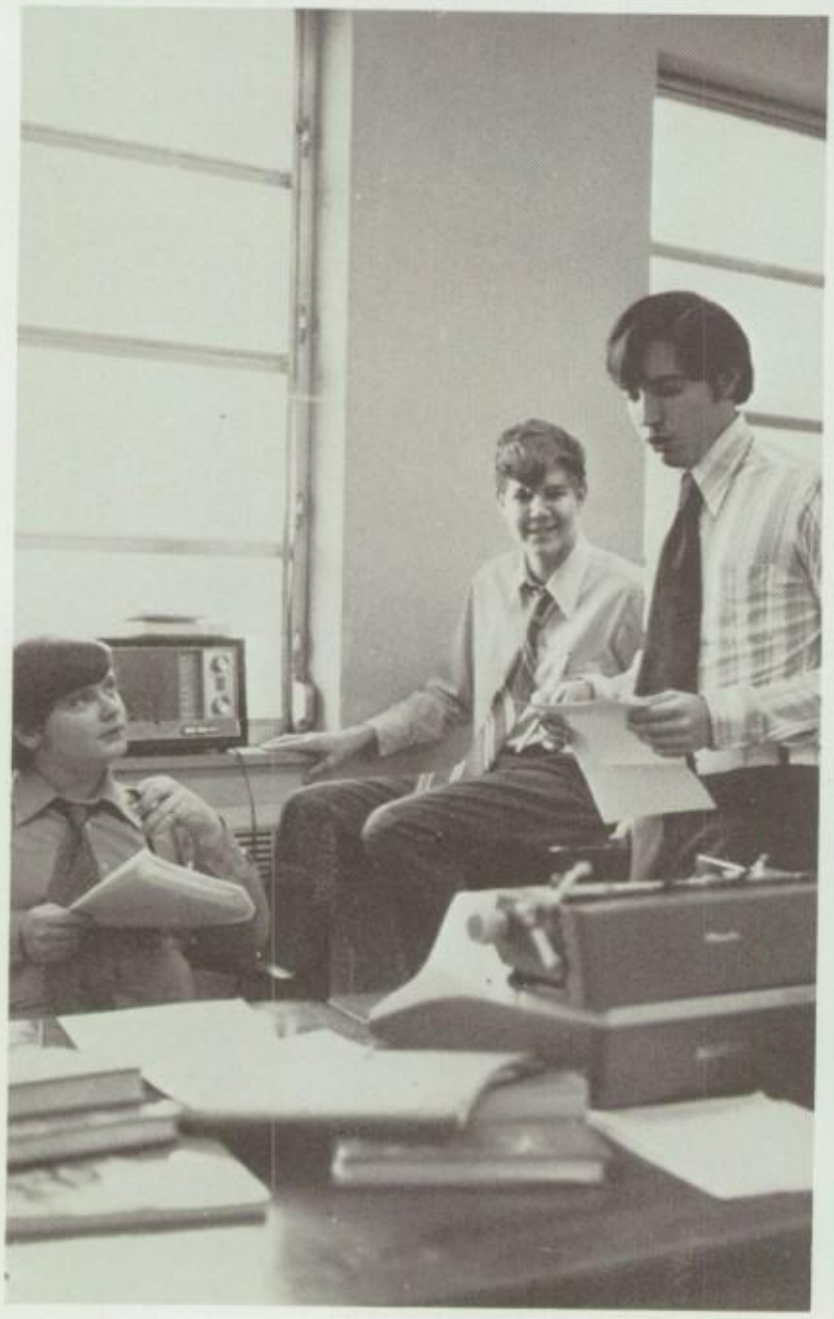
ACTIVITIES ON THE MOVE



Working toward a common goal, each individual engages in hours of work, his efforts ending in a sense of accomplishment and participation.

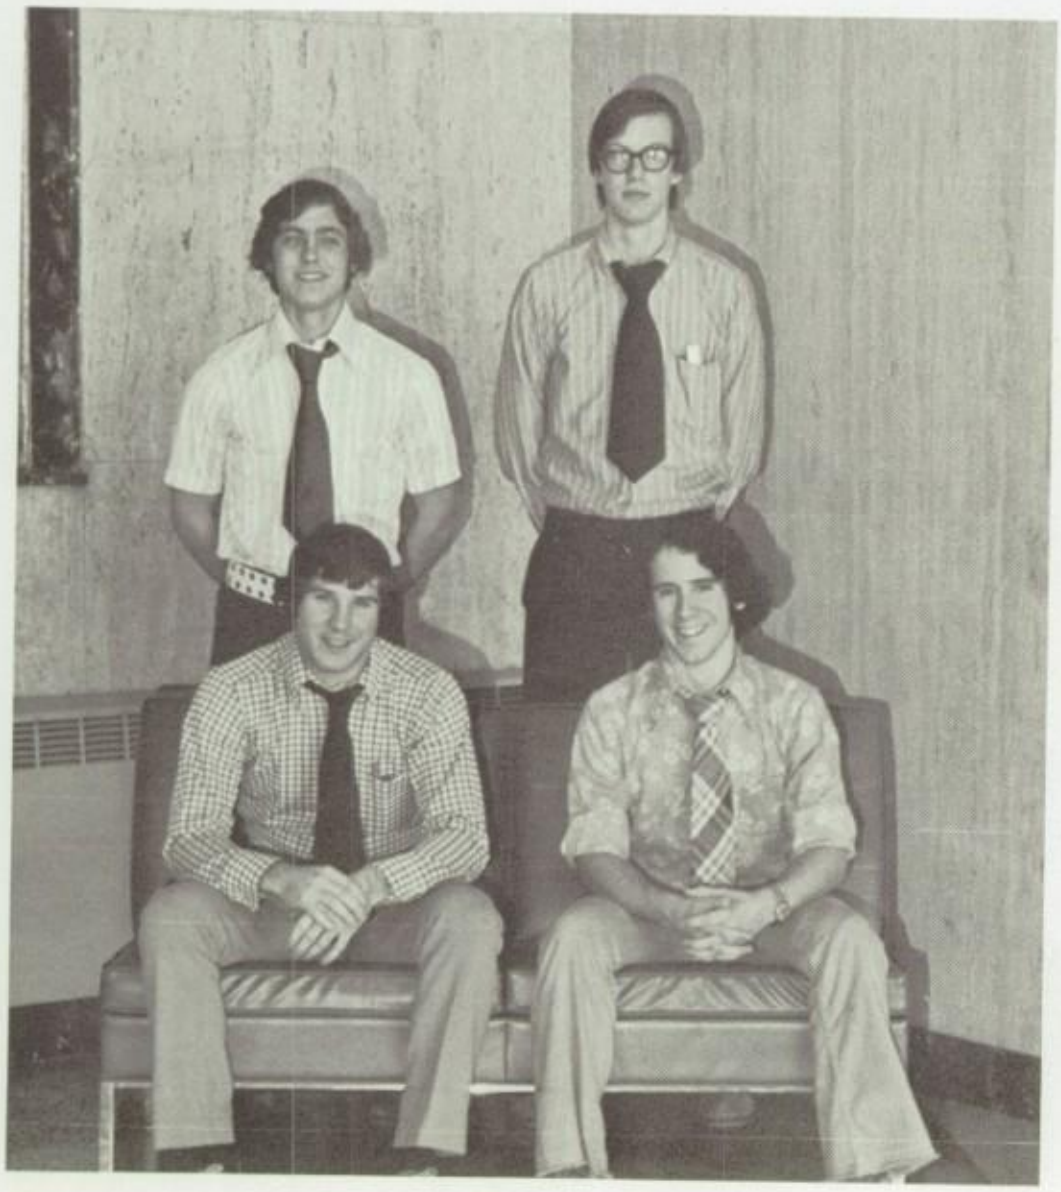
Student Council revitalizes school spirit



Aided by the winning season of the football team, the Student Council promoted several enthusiastic pep rallies and the most successful Homecoming in the school's history. They also sponsored the formal dances, sock hops, coffee houses, film festivals, the senior trip, nighttime basketball intramurals, the Christmas Food Drive, and a concert, as well as giving financial support to the St Laurence Cheerleaders.

Tom Kaufmann assumed the responsibilities of the Parliamentarian, a new position added to the Student Council this year. He insured that the meetings, held about every three weeks, were run according to Robert's Rules of Order.

Officers of this year's Student Council, moderated by Bro. MacIntyre, included Ken Mayer, president, Dan LeMonnier, vice-president, Ed Crane, secretary, and Kevin Dages, treasurer.

Mother's Club boasts record turn out

Record turnouts accounted for the overwhelming success of the St. Laurence Mother's Club's annual Salad Luncheon. A fashion show and bake sale completed the event. New members got an opportunity to get acquainted with veteran members, the faculty, and each other.

Because of the record attendance, the ladies filled both cafeteria and gymnasium. To accomodate them, the custodians set up ramps for the models and wired a speaking system for their use.

The event grossed close to 13,400 dollars. The mothers invested approximately 10,000 dollars into the new storage extension, annexed this year. They used part of the building for storage.

Fathers work to improve school

St. Laurence High School continued to be benefited by the efforts of the Father's Club. In addition to the annual Dance and Smoker, the Fathers continued to usher at all major sporting events.

This year the enrollment increased to nearly 900 members as participation grew. On December 8th the Father's Club held their annual dance with many couples attending. On February 9th they held the annual Smoker. Over 1000 men attended and enjoyed a relaxed evening.

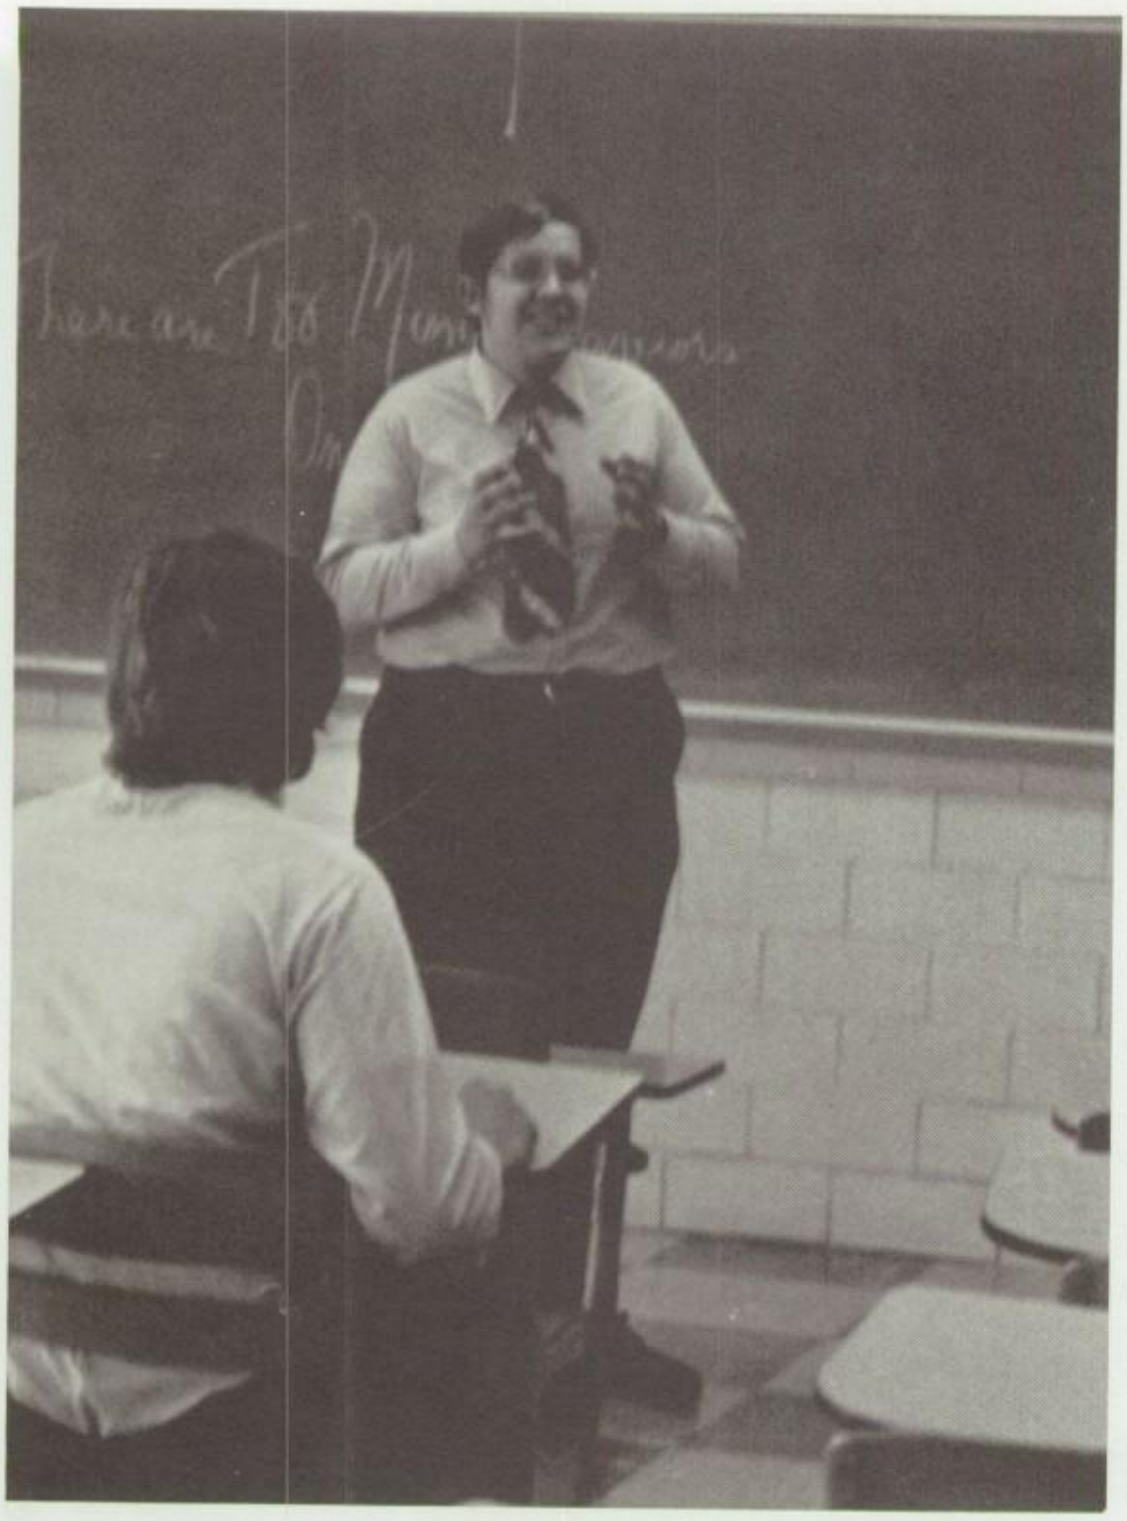
Laurenta activities benefit Christian Brothers

Through fund raising activities, the St. Laurence Laurenta Club benefited the Brother's Training Houses. The club sponsored the sale of taffy apples, a party at the Drury Lane Theater, held in December, and a Fun Fair, held on April 26th.

The Laurenta Club, established in 1966, now consists of 75 due paying members.

Debate enlists new talent



After a two year absence from St. Laurence, Debate returned. According to moderator, Mr. Bolton, this year was used mainly for learning technique and "tricks of the trade" as well as recruiting students for the team. This year the team competed against various high schools in the Chicago area at the novice level. Next, the team will compete against other schools in both the Varsity and Junior Varsity levels as well as on the Novice level.

Determination patterns Homecoming success

"Thank the Lord for the Night time" was the theme of Homecoming 1973, and thank the Vikings did with a 30-0 twilight trouncing of Mt. Carmel. The largest turnout ever (327 couples) attended a post-game dance the following evening.

The wheels of Homecoming weekend began turning Friday, Sept. 28, with an early afternoon Pep rally. Super Viking made his seasonal debute with a new and popular buddy, Bennie Freshmanski. Students then headed home to complete work on floats for the pre-game parade.

Queen Linda Gorz and her court, along with the St. Laurence marching band, led a giant parade of floats, clowns, and Viking supporters to Reavis Stadium for the game.

Twenty hours of frantic decorating produced a beautiful open air effect in the cafeteria with a blacklight mural of the Chicago skyline, overhanging stars and streamers, and candlelight. The foyer created a nightclub atmosphere with mirror ball, multi-colored windows, and a wall of streamers intended to cut the area off from the "outside world".

"Catch" and "Sunday" entertained throughout the dance, and sent couples away hoping for another occasion like this for which they could "Thank the Lord for the Nighttime".

Band stresses culture, enjoyment of music

After an absence of a few years, and through the efforts of many individuals, the St. Laurence Stage Band returned this year. Its director, Jim Holton, was at one time a member of the St. Laurence Band himself. Approximately 20 musicians, also members of the Concert band, took part in the Stage Band, playing popular music during the basketball games and for schools in the area.

The Concert Band also had a successful and busy year. Performances at football games, pep rallies, the Championship Games at Soldier Field, a concert for the Mother's Club and another for St. Gall's parish kept the musicians working. Despite a late start, the annual Christmas Concert and Spring Concert were successful. A tour to Windsor, Canada completed the year.

Under the direction of Mr. Leo Henning and Br. W. Acker, moderator, the band achieved a better balance with its 96 members. Though the primary purpose of the band is to provide culture in music for the students, they also find enjoyment and satisfaction in popular music.

Opposite page, above: Newly-formed stage band makes it's first public performance at the Christmas Concert. **Opposite page below:** Mr. Leo Henning directs the band at the Christmas Concert. **Left:** Mr. Leo Henning conducts the band in one of its' daily practices. **Below:** The marching band finishes performing at Soldier Field during the halftime of the City Championship Game.

Poster club adds wit and color

Striving for quality in their work the Poster Committee assisted in bringing extra life to the pep rallies. Meeting up in the gym balcony the committee would plan and prepare posters for an upcoming event. The committee put most of its efforts toward preparing posters for each football game. Also their talents were put to use in making posters for the Parents clubs, basketball games and other activities.

Far, Above; Kerry Kelekovich puts the finishing touches on one of his poster. **Above:** Tom Millani and Dan Skowron add to their poster.

Lettermen perform special services

Lending a helping hand the Lettermen continued to provide services at school events. They also continued work on the trophy cases by buying new materials to provide more room for trophies. The Lettermen took on the job of doormen at the Mother's Club Luncheon and maned the concessions and coat check at the Basketball games. Under the direction of Bro. Beckstrom the Lettermen also went to various sports events in the Chicago area.

Helm keeps students informed

Thirteen issues highlighted another successful year for the **Helm.** Under the moderation of Br. Keane, editor Dean Salerno strove to produce a professional newspaper. In order to accomplish this, editor Salerno along with feature editor Gerry Coop and sports editor Bill Lisowski, attended a one week workshop at Ball State University. News editor Dave Bertram worked just as hard in making sure that the **Helm** covered important news stories.

For the second year in a row, the Helm's sports department put out the **Championship** newspaper. This paper served as a news letter devoted to giving special recognition to various teams as they approached their title game. Editor Bill Lisowski and associate editors Dave Bertram, Ron Szmergalski, and Tom Grodek put out 2 issues — one for football and another for basketball and wrestling.

Members of the **Helm** also put out the **Alumni** newspaper, which helped keep St. Laurence graduates informed on current events or changes at Laurence.

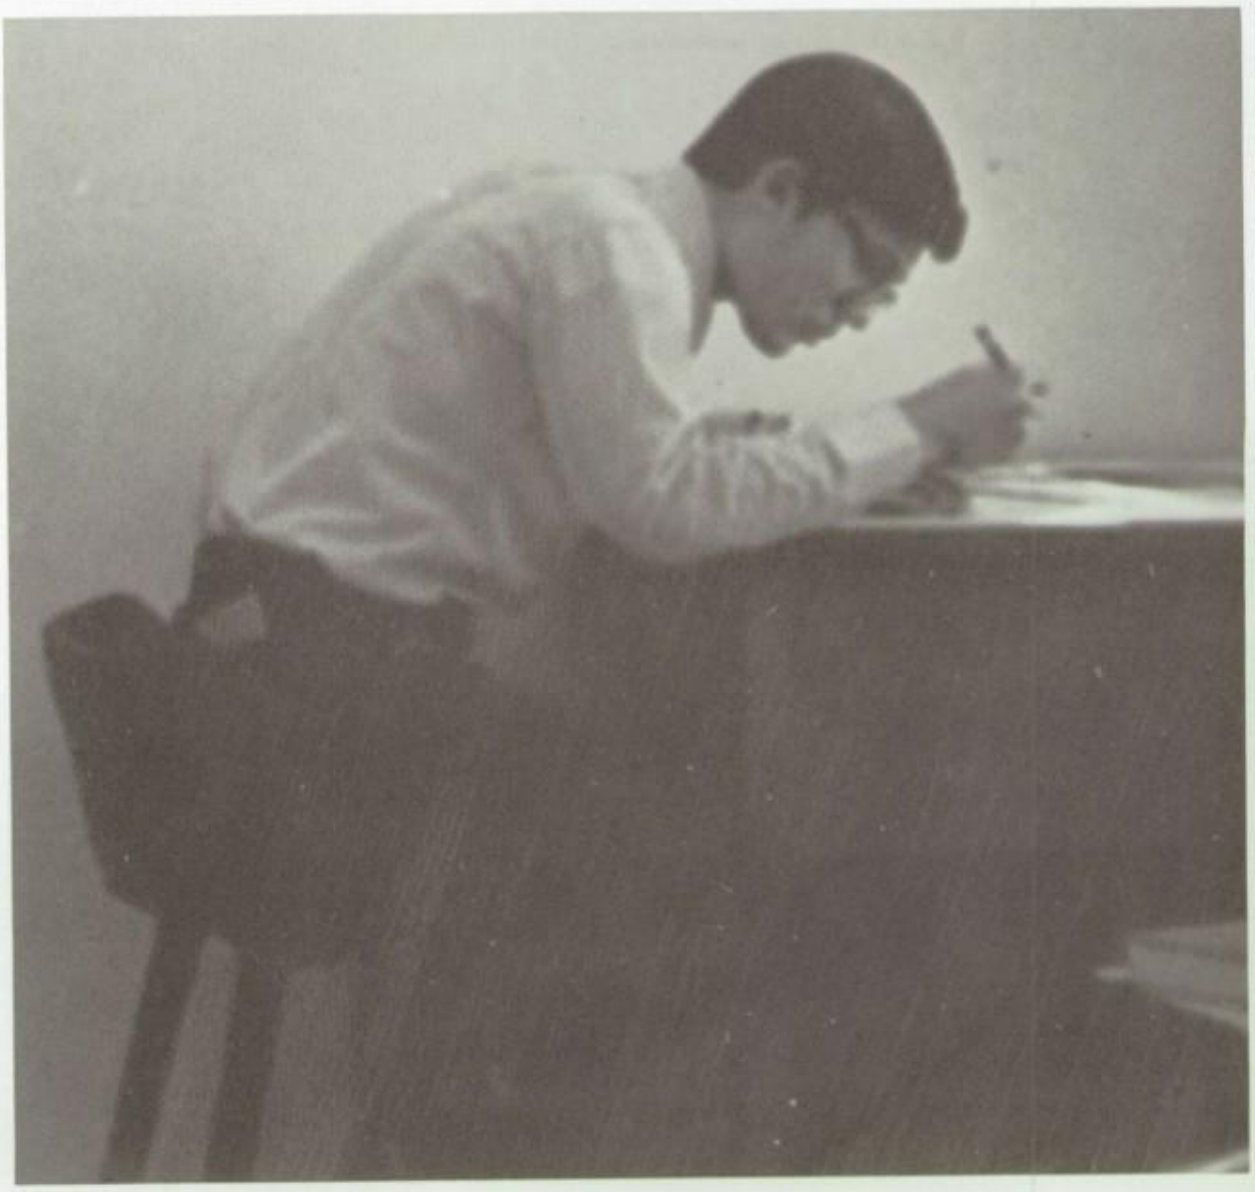
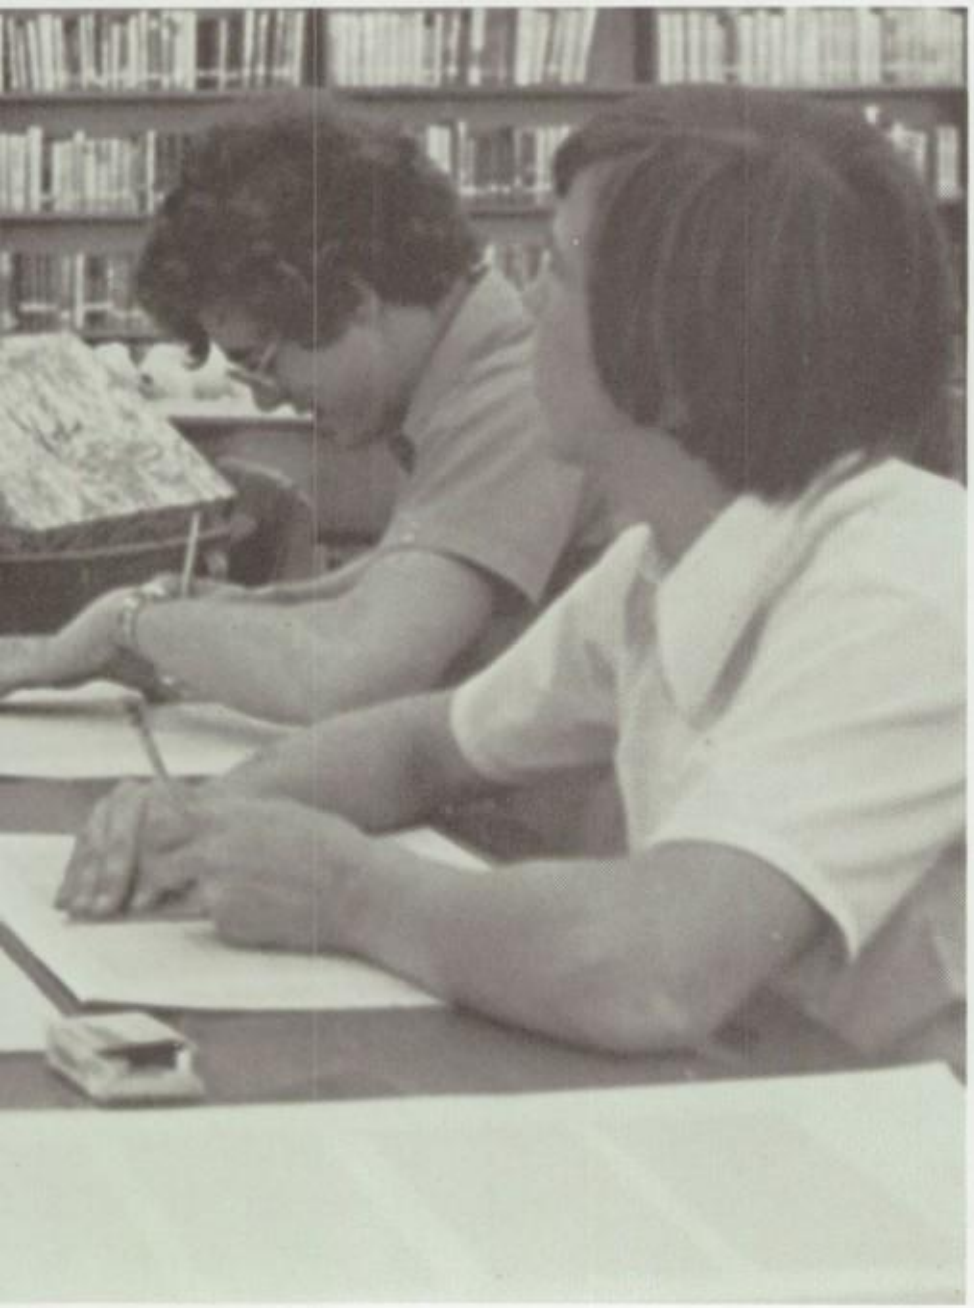
Below: Mike Kalkowski tackles the job of cropping photos.





Compared to staffs of previous years, the yearbook staff had more depth, working power, and experience.

New members in addition to the returning members of last year's staff strengthened the yearbook staff's working power.

A number of factors contributed to the staff's experience. During the summer, Mike Crowley met with Br. Reeves, Mike Foley, Joe Zozzaro, and Mike Kalkowski to discuss his visit to the yearbook convention at Ball State University. The trip to the NISPA convention at Northern Illinois University made by Mike Foley, Mike Crowley, and Joe Zozzaro proved instrumental in giving new insights and ideas on improving the yearbook.

Articles written by Dan LeMonnier, Bill Lisowski, and various members of the staff added to the depth of the yearbook.

Increased library service gains recognition

One of the most important, yet least recognized activity is the Library Staff. The importance of this activity lies in the fact that when a student needs a book quickly, the members of the Library Staff are able to find the book quickly. The members of the staff are required to repair and bind books, keep the books in order, and know the collection of books in the library.

This year Br. Messick increased the book collection of our library by purchasing five thousand books from Little Flower. In addition to the various fiction and non-fiction books, duplicates of our reference books were bought. For the first time students were able to take the reference books out for more than a day.

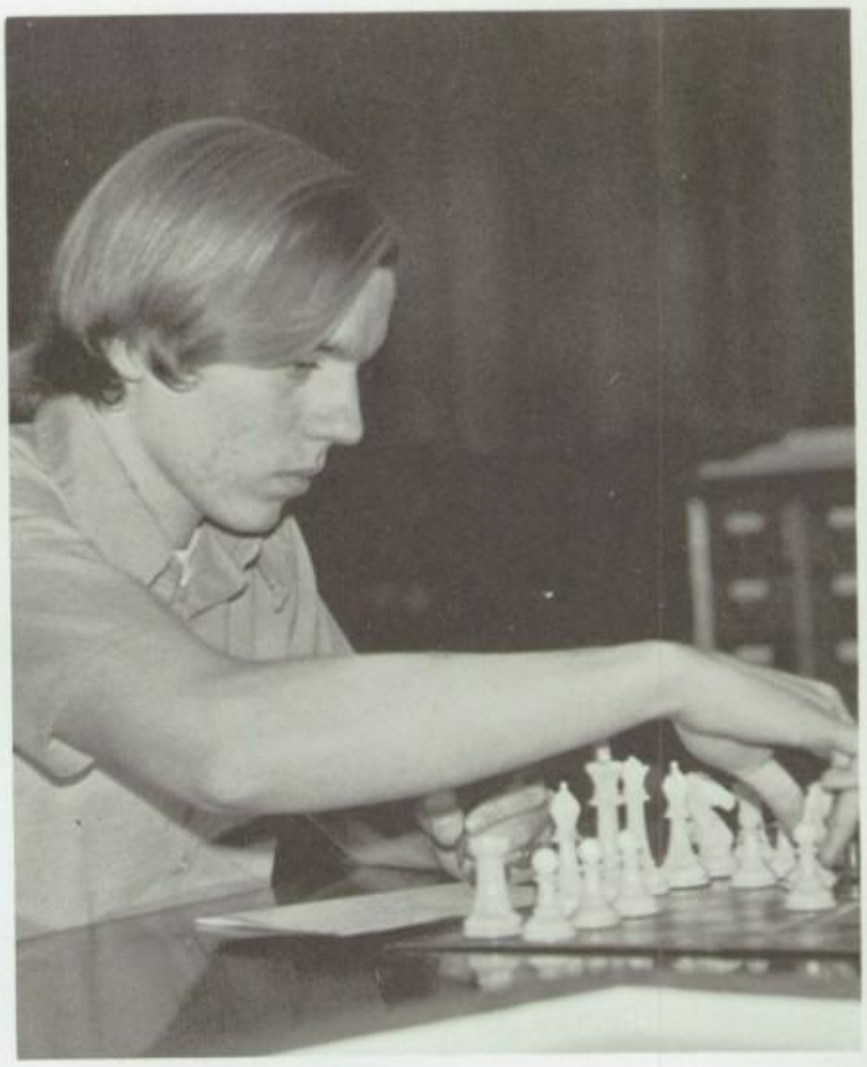
Chess team faces tough competition



Under the careful guidance of Br. J.P. Medvit, the 1974 Chess Team completed its toughest season ever. Secretary and Treasurer Dave Lloyd led the team in scoring. Senior President Gerard Coop supplied a strong first board and Junior Bill Siebenaler supplied second board. Other members included fourth board Mark Rudnicki, fifth board Tony Domico and alternate Dave Diggs.

"Winterlude" describes Winter Dance mood

On February 23, juniors and seniors, along with their dates, enjoyed a "Winterlude", the theme of the 1974 Winter Dance. The idea came from a song by Bob Dylan; in it he expresses his feelings about the time of the year and the girl he wants to share it with.

Under the direction of Ken Mayer and Dan LeMonnier, over forty students gave their time to planning and decorating for the dance. In keeping with the mood of the song, the decorations leaned toward a simple, uncomplicated effect using only streamers and a black light poster painted by Kerry Kelekovich.

Dedication yields successful comedy

The continuing success of the St. Laurence Drama department resulted in the successful production of the comedy, "Enter Laughing", a play written by Joseph Stein and based on a novel by Carl Reiner. Many weeks of diligent rehearsal, under the direction of Mr. Lynch and Miss Turek, with the assistance of Br. Cotter, preceeded the opening on May 9.

The story concerns an eighteen year old Jewish boy in the 1930's who tries out for and is accepted by a theater group but who is really a poor actor. Senior Tom Gagne starred as David, the young man whose mishaps form the basis for the play. Other principal roles were played by Jerry Trost, Frank Nykiel, Sue Junkrowski, Jim Demikis, Debbie Cremieux, Maria Brown and Jim Liston.

Varsity Football: Triple practice sessions pay off.

Despite having an inexperienced team, the 1973 version of the football team clinched another play-off spot for the second year in a row by ending the season tied for second place. In order to do this, the Vikings finished with a 6 win, 2 loss record.

One of the major reasons for this success was due to the offense who, at the end of the season, was voted the most explosive unit in the Chicago area. Once again using the Wishbone "T" formation, the Vikings exploded for 3,234 yards in total offense as they scored 350 points.

Senior fullback Kevin King was one of the many threats in the Viking backfield. He rambled for 1,285 yards in 11 games as he scored 144 points. He finished the season as top scorer in the Catholic League.

Another major threat was junior halfback Rob Mikel. Despite a slow start, he terrorized opponents with his outside jaunts. He rambled for an even 700 yards on the ground and added 222 more yards via the air routes. He tallied 48 points also. **(Continued next page.)**

The Vikings also had an extremely strong defense that specialized in scoring points — 26 to be exact. Three were TD's that came as the result of blocked punts. Another was a TD as a fumble was recovered in the endzone, and two points resulted from a safety.

Some of the outstanding players on the defense included: linebackers Pete Allard and Mike Jank, ends Tim Halleran and Bob Wagner, cornerback John Kenny, "punt-blocker" Kevin King, and safety Jim O'Connor (who intercepted 12 passes.)

At the end of the season, the Chicago **Sun Times** named Kevin King "Player of the Year." Prior to that, he along with Pete Allard, were named to the **Sun-Times** and **Daily News** All-Star teams. These two also received the Golden Helmet Award.

The **WLS** Team of the Year's coaching staff included: Mr. Tom Kavanagh, head coach, Mr. Wally Sebuck, Mr. George Badke, Mr. Ray Konrath, Mr. Mark Walsh, and moderator Br. Stack.

When the playoffs finally rolled around (special playoffs were necessary to determine who would get the fourth spot), the Vikings once again faced Loyola. These two teams had previously met two weeks earlier with Laurence coming out on top.

Loyola scored first but never threatened again as the Vikings disproved the adage "You can never beat the same CL team twice in a row." Kevin King scored 3 times while Rob Mikel (55 yard run), Mike Ahern and John Joyce each scored once as the Vikings rambled over Loyola 40-6.

One week later, Laurence once again went to Soldier Field to play the Championship game. Their opponent was St. Rita, who had beaten them earlier in the season. Rita scored first and retained the lead until midway through the fourth quarter. Mr. Do-It-All, Kevin King broke loose for 61 yards and a score to pull within two points of the Mustangs.

On the conversion attempt, King once again got the ball but he was stopped at the line-of-scrimage. Alertly he pitched back to QB Ahern who took the ball and dashed for the corner of the endzone and a tie. The game ended 20-all and the first overtime ever in a CL Championship game began.

The Vikings won the toss and elected to defend. Rita could not score within 4 downs from the 10, so Laurence got their chance. An estatic and emotionally charged Viking offense took the field and scored in three plays. King got the ball all three times and scored on a one yard plunge.

Next stop for the Vikings was Mayor Daley's 40th Annual Prep Bowl where they met Wendell Phillips. The Public League Champs tied the Vikings three times but Laurence pulled away in the 4th quarter. King scored 24 points, Ahern 14, and Mikel 2 as the Vikings won 40-24. This was only the sixth team ever to win back-to-back Bowl Titles!

Both the freshman and sophomore football teams compiled promising records. The frosh team fought to a 3 win, 3 loss, 1 tie record while the sophomores improved last year's record, 0-5 as freshmen, to 3 wins, 3 losses.

Coaches from both teams felt that some of their players will make definite contributions to future varsity teams. Some sophomores that Coach Langlotz feels, will make definite contributions included Gene Kenny, Mark Ahern, and John Barkowski.

One of the things that both of these teams learned was how to improve from their mistakes. After a shakey start, both teams tasted victory and would settle for nothing less.

Cross Country places second in City

Summer workouts paid off for the '73 Viking Cross Country team as they posted an overall 7-3 record. They placed second in the City Meet as well as in the Milwaukee Meet behind Fenwick while ranking sixth in the Chicago area. Coach Coffey commented that this year's varsity team was the best he had ever coached. Some talented harriers included John Dergentis, Tim Fahey, Bob Sadowski, Mike Orlowski, Steve Murphy, Dan LeMonnier, Ed Birth, and Dave Weber.

The J.V. team, led by Mike Colby, placed fourth in the City Meet.

Cheerleaders spark school spirit

At all football and basketball games the moral of the players as well as the fans was boosted by the spirited cheers of the St. Laurence Cheerleaders. This vigorous squad which was chosen by the Student Council Committee, consisted of ten girls: Captain Peggy O'Rourke, Kathy Reda, Kathy Roche, Nadine Sondej, seniors; Katie Glover and Beth Cooney, juniors; Pattie Forlenza, Teri Omastiak, and Laura Pattara, sophomores, all of whom attend Queen of Peace High School and Judy Circo a junior at Mother Mc'Auley. In addition to weekly practices, the Student Council sponsored a five day camp session at Illinois State University during summer where the girls participated in daily competition while developing their cheerleading skills.

Hockey makes reoccurence at St. Laurence

After an absense of six years, hockey returned to St. Laurence. Under the direction and coaching of Mr. George Langlotz, the program was divided to accomodate three teams — Varsity, J-V, and Frosh-Soph teams. Each team practiced on the average of once a week and scrimaged numerous schools in non-league competition.

Coach Langlotz stressed fundamentals of the game this first year. Along with practicing on the ice, the players met at school once a week for classroom sessions on positioning and plays.

Team moderator, Br. Courtney feels that this first year outside of Catholic League competition will help the team immensely.

Tennis enters Catholic League

A record of three wins, seven losses highlighted the '73 tennis season as the Vikings officially re-entered the Catholic League after a two year absence. Moderated by Br. Verre, the team featured an outstanding Sophomore, Tom Reynolds, who has taken the singles title for the last two years.

Br. Verre commented that the hard work of every individual helped bring about a team effort. Even though this year was only fair he expects next year to be better. Br. Verre feels that way because twelve of his players practiced at indoor courts after the season ended, at their own expense.

Soccer team wins first trophy

Under the direction of Mr. Bolton, St. Laurence fielded its first soccer team. The new venture proved successful as the team posted a third place 3-3 record in the Catholic League. The team also landed the first soccer trophy in the history of St. Laurence. In addition, the Vikings managed a second place finish in the first annual Catholic League Soccer Tournament. After defeating Loyola and St. Viator the Vikings lost to Br. Rice in the finals and earned the second place tournament trophy.

After a two year absence, golf returned to the St. Laurence sports world. Under the leadership of Br. Donnelly, the team strove to better their basic golf game. In order to do this, the players practiced every day after school at various country clubs in the area.

Unfortunately, the golf team didn't fare too well under actual competition in the Catholic League. During the year, they managed only one victory while suffering seven defeats. By the end of the year, though, a slight improvement was evident in the way the team played in the Championship Tournament at Palos Hills Country Club. They finished fifth in a field of eight schools.

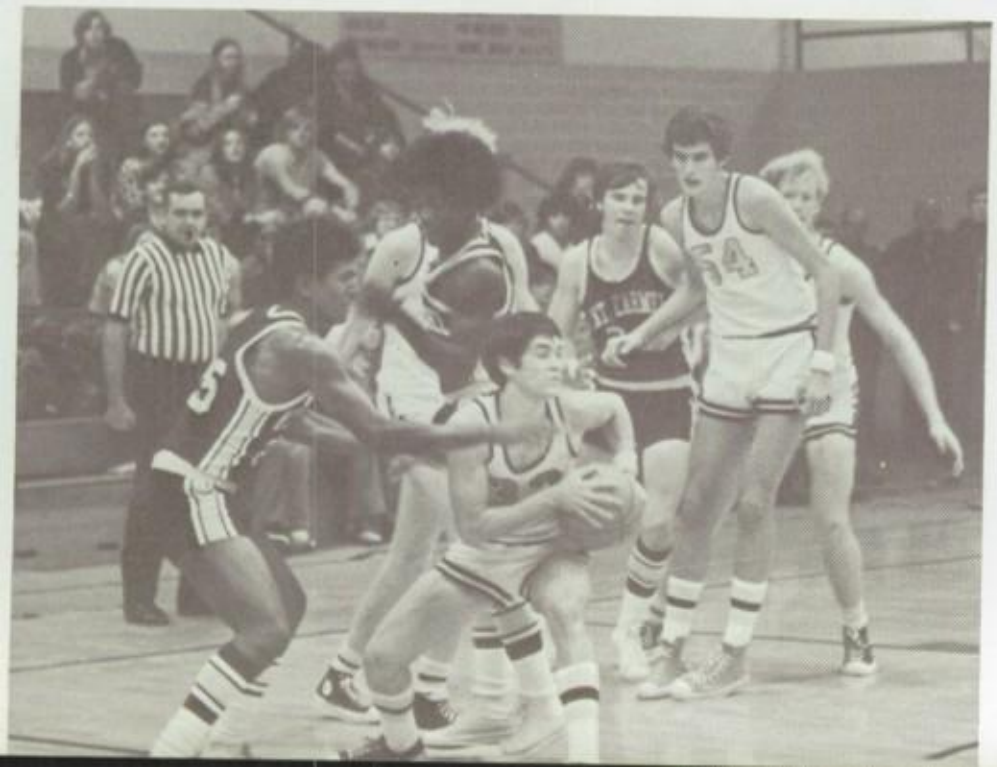
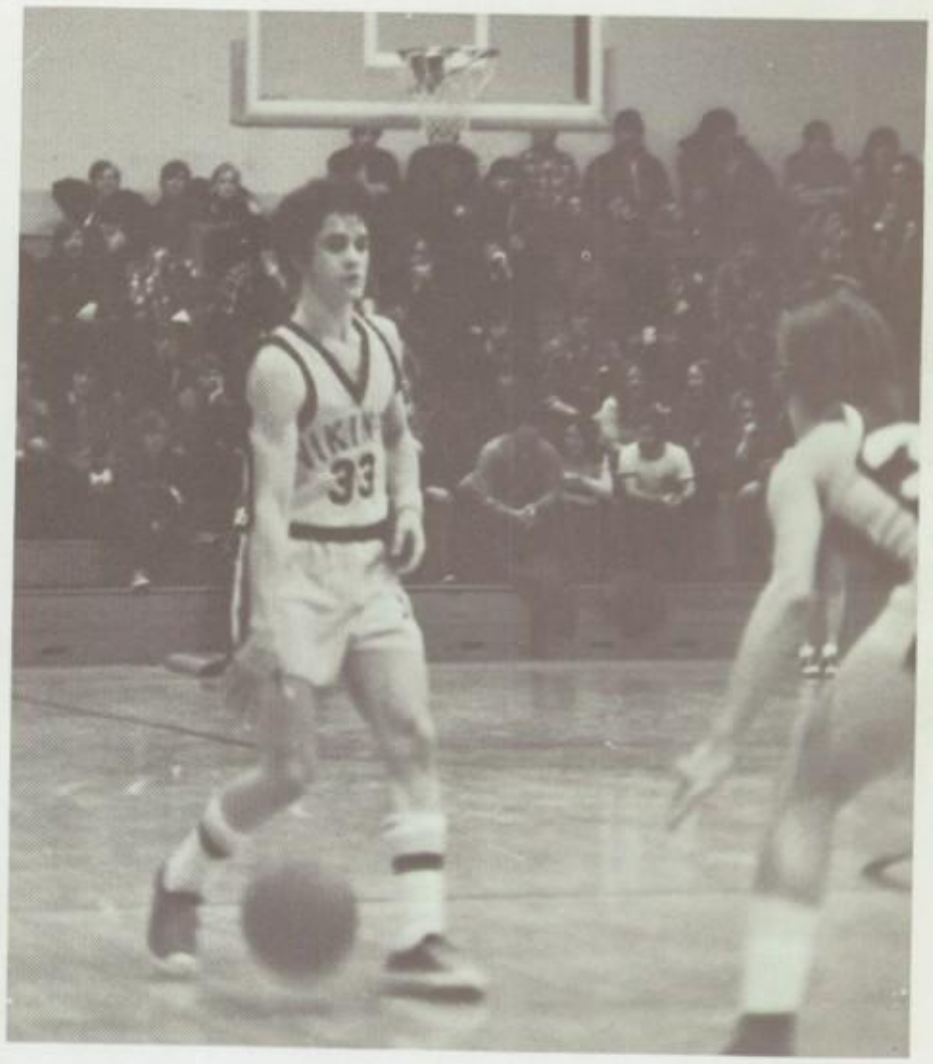
Teamwork keys Varsity Basketball success





Despite having an inexperienced team, the Varsity Basketball Vikings had a successful season. With a league record of 10 wins and 1 loss, the Vikings ended in a tie for first place in the Catholic League with Hales Franciscan.

The Viking Varsity had only two returning starters, guard Mike Walaszek and forward Don Popp. The other starters, guard Tom O'Halloran, forward John Fitzgerald and center Steve Krafcisin saw limited action in the '72-'73 season.

In tournament action, the Vikings did not fare well. In the Catholic League Christmas Tourney, they lost the first game; in the Crusader Classic, the team beat Leo in the first round, but lost the title to host Br. Rice; and they lost the second game to Crane in Mayor Daley's Public-Catholic Tournament. All of these loses were by one or two points.

During the season, the Vikings turned their form around to become one of the better come-from-behind teams in the league. Of their ten league victories, six of these were won in the fourth quarter.

Co-captains Mike Walaszek and Don Popp along with sophomore Steve Krafcisin played on the South All-Star team in the Catholic League Benefit Game. However, Steve Krafcisin was the only one voted to the final All-Star team.

Also, Coach Schwarz was voted the "Coach of the Year."

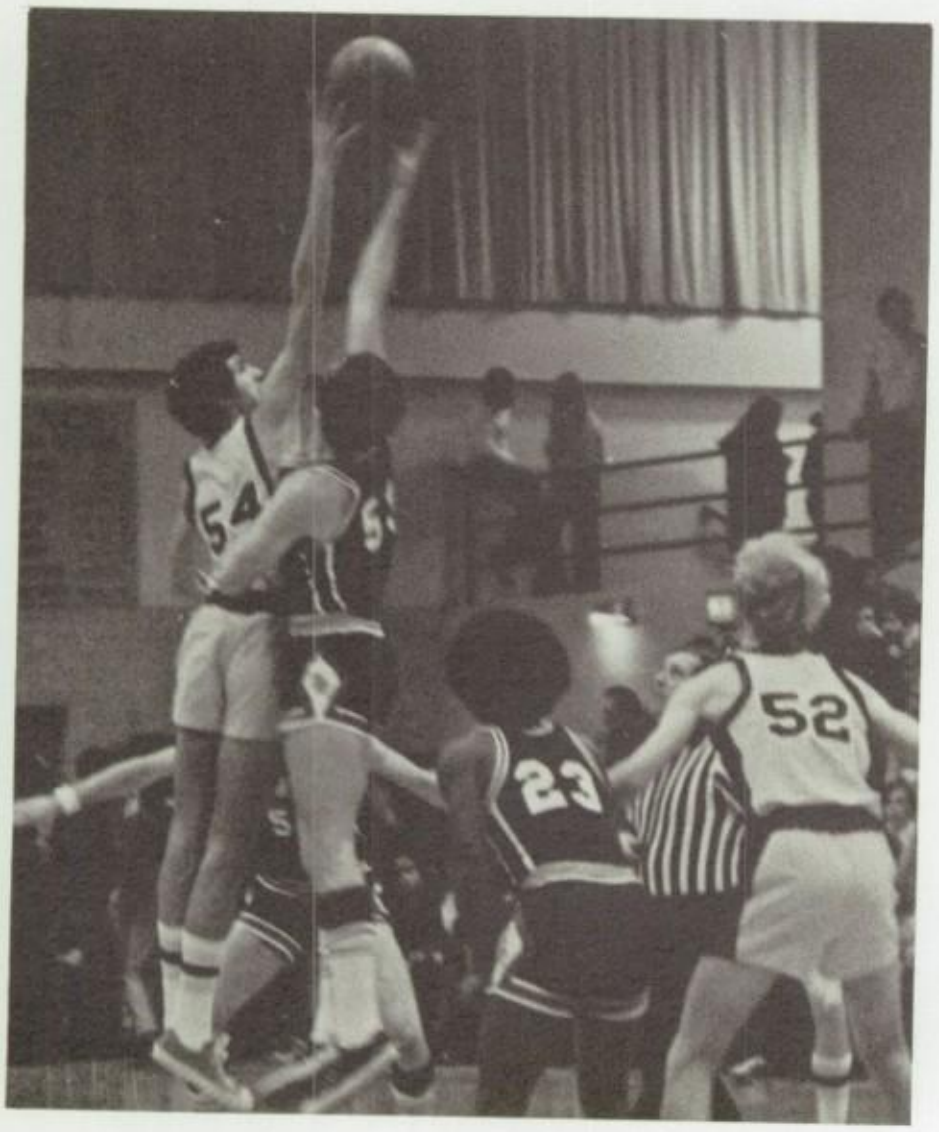
10-1 record carries team to play-offs



Frosh-Soph battle to identical records

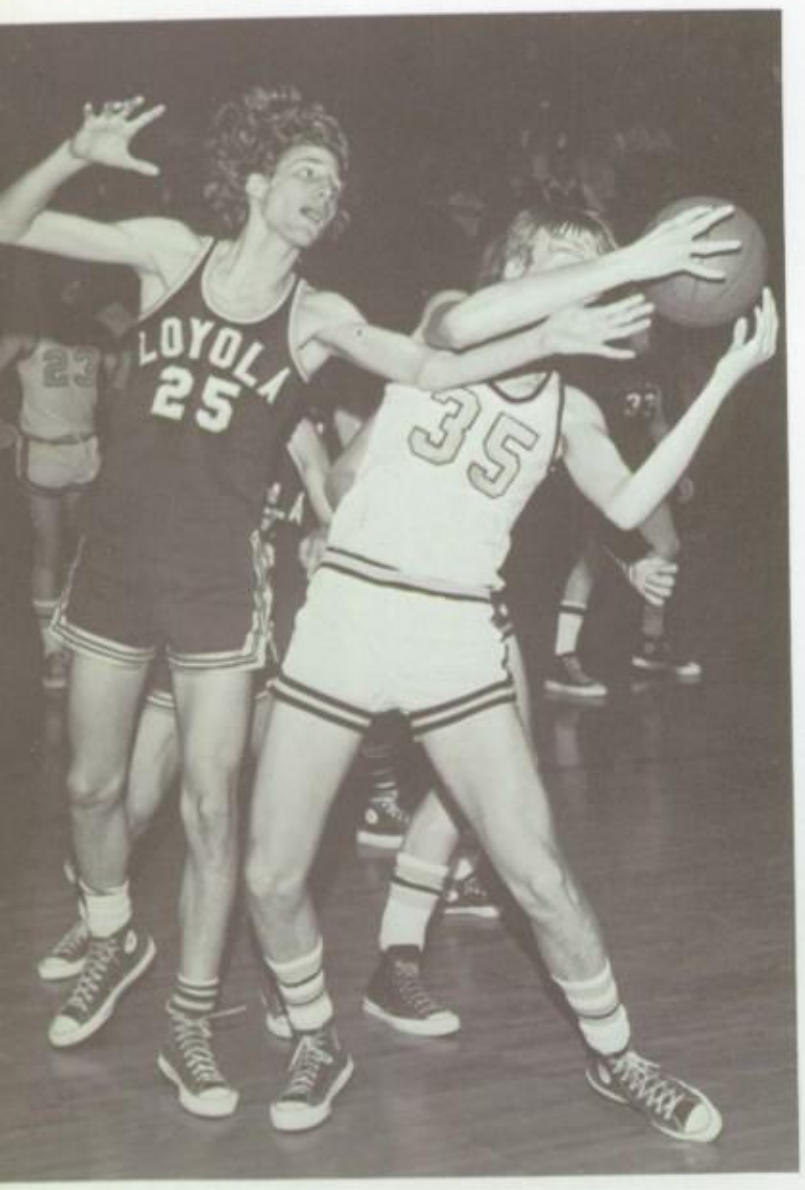
Both the Freshman and Sophomore basketball teams closed the season with identical 6 win, 5 loss league records. Also, they both finished in 5th place.

The Freshman team, under the coaching of Mr. Raymond Konrath, sported a three guard, two forward offense. This alignment was used because there was no player over six feet tall.

Coach Konrath basically used seven key players throughout the season. They were guards Ed Kruszka, Neal Rourke, Tony Mornar, and Mike McGrath, and forwards Dave Hickey, Paul Flerick, and John Quinn.

Mr. Konrath said that, "This was the best team I ever coached. They had an excellent attitude and played extremely well under pressure."

Coach Fowler, on the other hand, tried to play as many people as possible in a game. It was partly due to this that the team played at such a torrid pace at the close of the season. They had a 6-2 record for their last eight games.



1974 Sophomore Team: **Bottom Row** — Bill Gleeson, Jim Thompson, Mark Hynes, Don Medrala, Charles Lynch, John Popp, John Callen. **2nd Row:** Jim Grider (manager), Dennis Daniels, Mark Ahern, Jim Durkin, Ray O'Brien, John Murphy, Brian Duffy, Joe Gale (manager). **3rd Row:** Mr. Fowler, Gary Michon, Bob Balich, John Slykas, Brian Gorski, Mike Stawski, Tom Duffy, Ron Mohorek, Greg Suffield, Br. Wrestling team pins Championship

Wrestling provided St. Laurence with it's second City Championship this year. The Varsity, coached by Mr. Murphy and Br. Lasik, faced tough competition in the regular season but finished with a record of 13 wins and 1 loss. Gordon Tech. was the only team to defeat the Vikings. In the play-offs, however, the team defeated Gordon Tech. and Tilden to become the undisputed champions of the city.

The J-V also enjoyed a successful season. The regular season ended with a 7-1-2 record, with only a loss to Br. Rice and 2 ties, to Loyola and Br. Rice. In the City Championship the Vikings finished second.

Mr. Murphy credited this years success to the teamwork shown by his wrestlers.

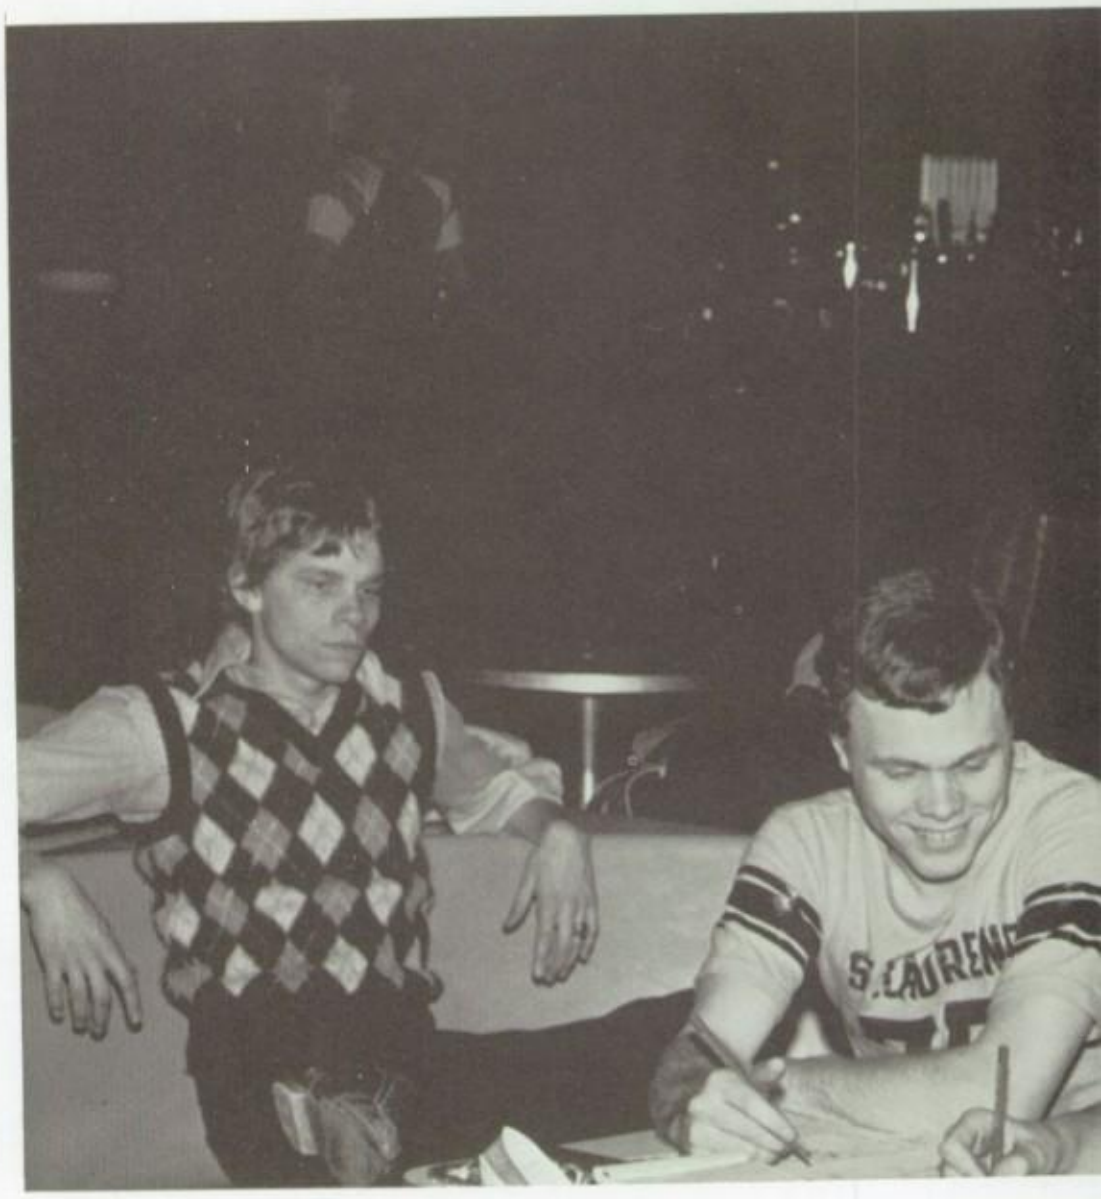
Bowling provides and fun



St. Laurence's Varsity and Junior Varsity bowling teams found the 1973-74 season to be one of the toughest ever. The Varsity team, led by senior captain Dan Skowron, bowled to a respectable record of 4 wins, 3 losses, and a tie. The J.V., under the leadership of captain Bill Switalski, earned a record of 5 wins, 2 losses, and a tie.

The season was highlighted by the superb bowling of Dan Skowron, who in one game rolled seven consecutive strikes to finish with a final score of 244.

'73 track team posts 10-1 record

Suffering only one loss to Loyola, the '73 track team compiled a 10-1 record. In competition in the Catholic League City Championship Finals, the team captured second place. Co-captains Steve Mally, Joe McKenna, and Rich Lucchetti led the Vikes to the best season in the school's history. Steve Mally earned the title " # 1 Hurdler in the State" through his fine season and four first place finishes in the Championship Meet.

The J.V. team finished third behind Mendel and Fenwick.

According to Coach Coffey, this year's team boasted more depth than last year's. Some outstanding Vikings included Pat Klatt, Rich Lucchetti, Bob Coverick, Mike Orlowski, Bob Sadowski, and Steve Murphy.

Three new events were added this year — the Discus Throw, the Triple Jump, and the 330 Yard Low Hurdles.

Finishing with an overall record of 16-16, the '73 St. Laurence Varsity baseball team had a respectable league record of 8-9. Coached by Mr. Schwarz and Mr. Carpenter, the team battled their way toward the top only to miss the playoffs by one game and one run. Br. Rice, the team's toughest opponent, shut out St. Laurence twice.

Leading the team in batting were Glen Morphew, with a .341 average, Dave Nykiel with a .340 average and Mark Dybas with a .319 average; The team had a batting average of .272.

Ray Ryan held the top spot in pitching with a record of 6 wins and 1 loss, and an Earned Run Average of 3.07. The other hurlers combined to form a team pitching average of 5.16.

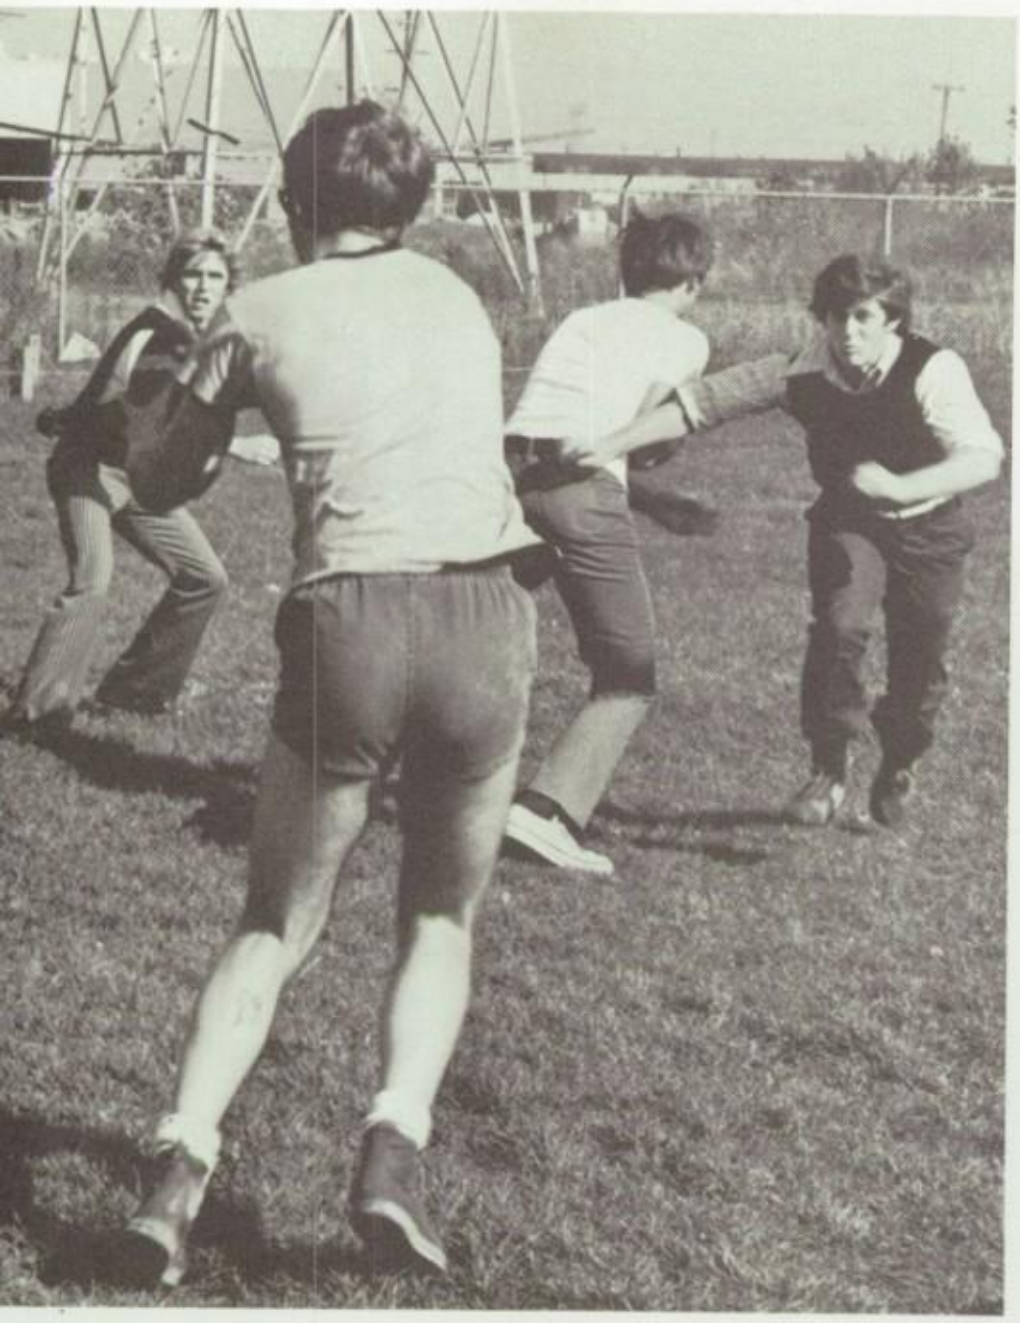
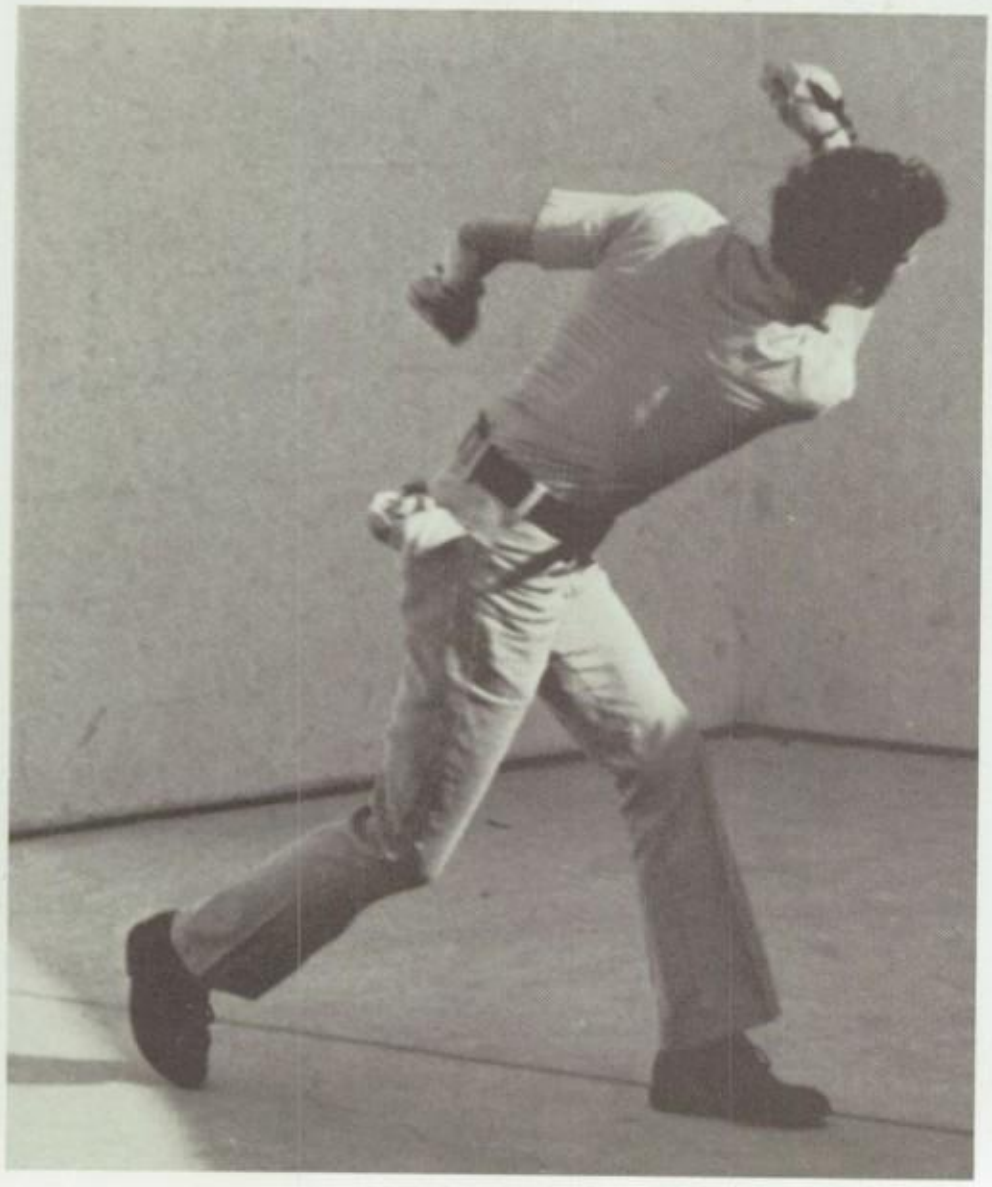
Intramural program participation grows

Once again the intramural program was welcomed with the same exuberance it received in past years. Seven-hundred students participated in the lunch time athletic programs which included football, dodgeball, free throws, basketball, ping-pong, handball, volleyball and softball. Basketball highlighted the night intramural program which continued with great student participation.





Opposite page, above: Nick Wagner and Mark Valzonis cautiously approach their opponents in a dodgeball game. **Opposite page, below:** Team centers battle for possession after a jump ball. **Above, left:** Tony Cozzi spots open man, Pat Klatt, in the endzone. **Left:** Bob Matusiak demonstrates the perfect handball form. **Above:** Pat Klatt rushes for the endzone around the outstretched arms of a defender.

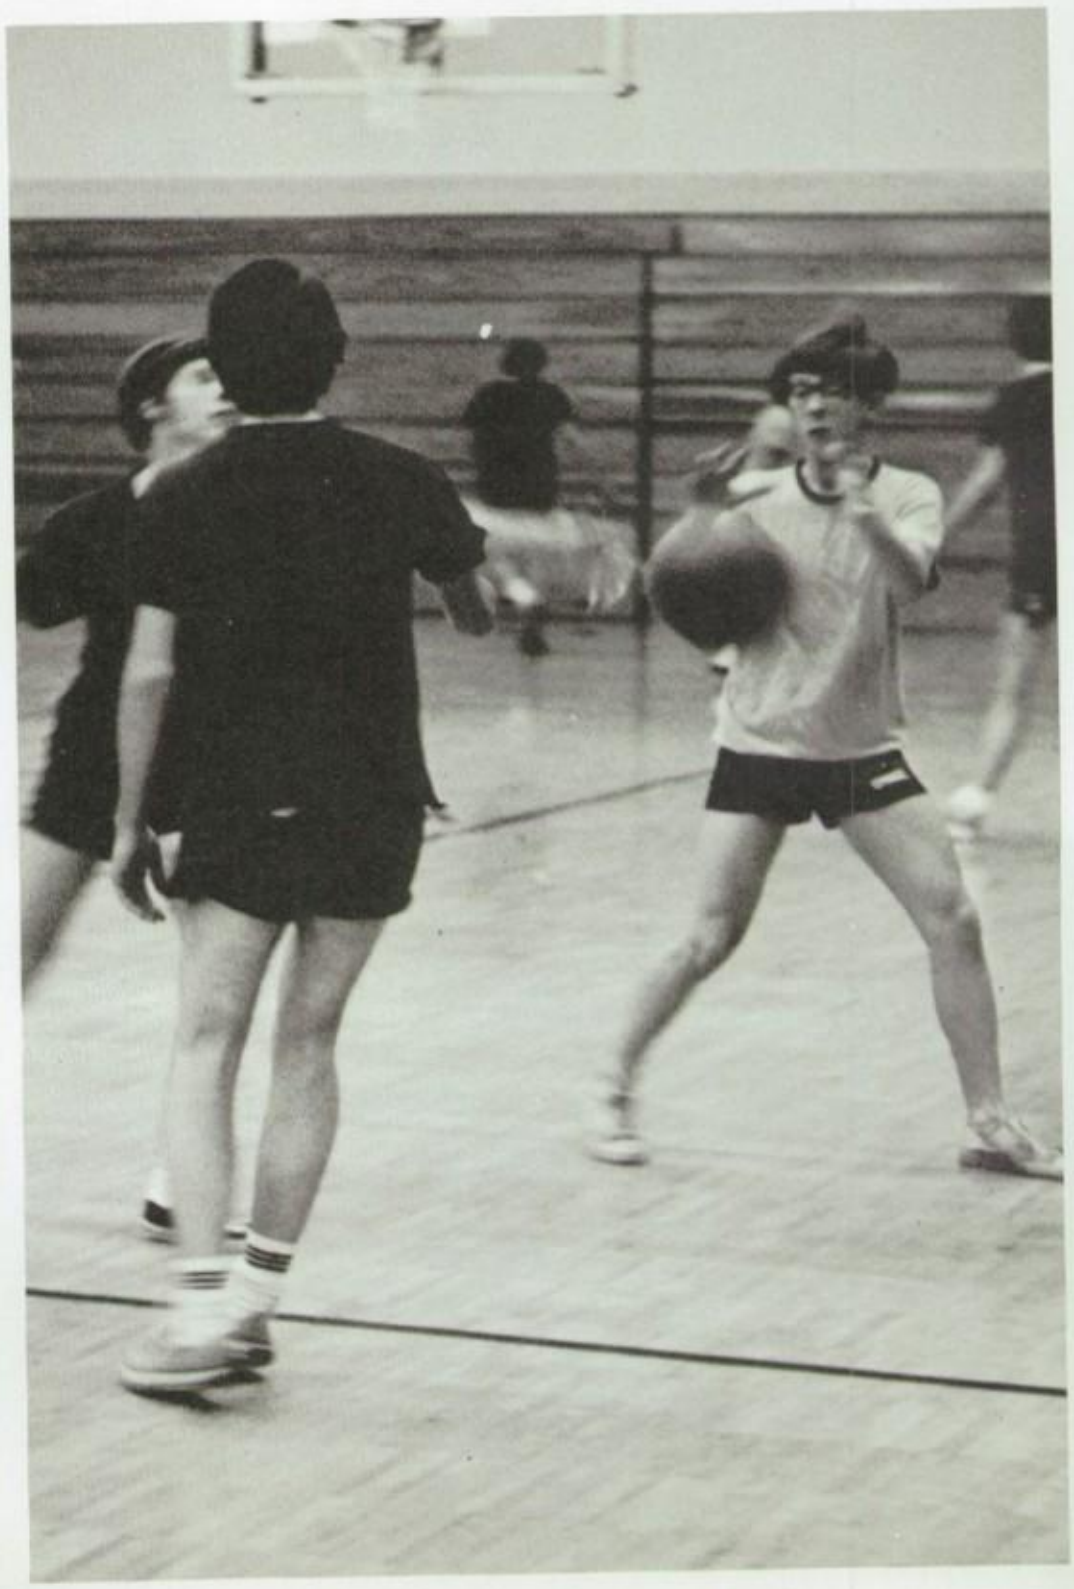
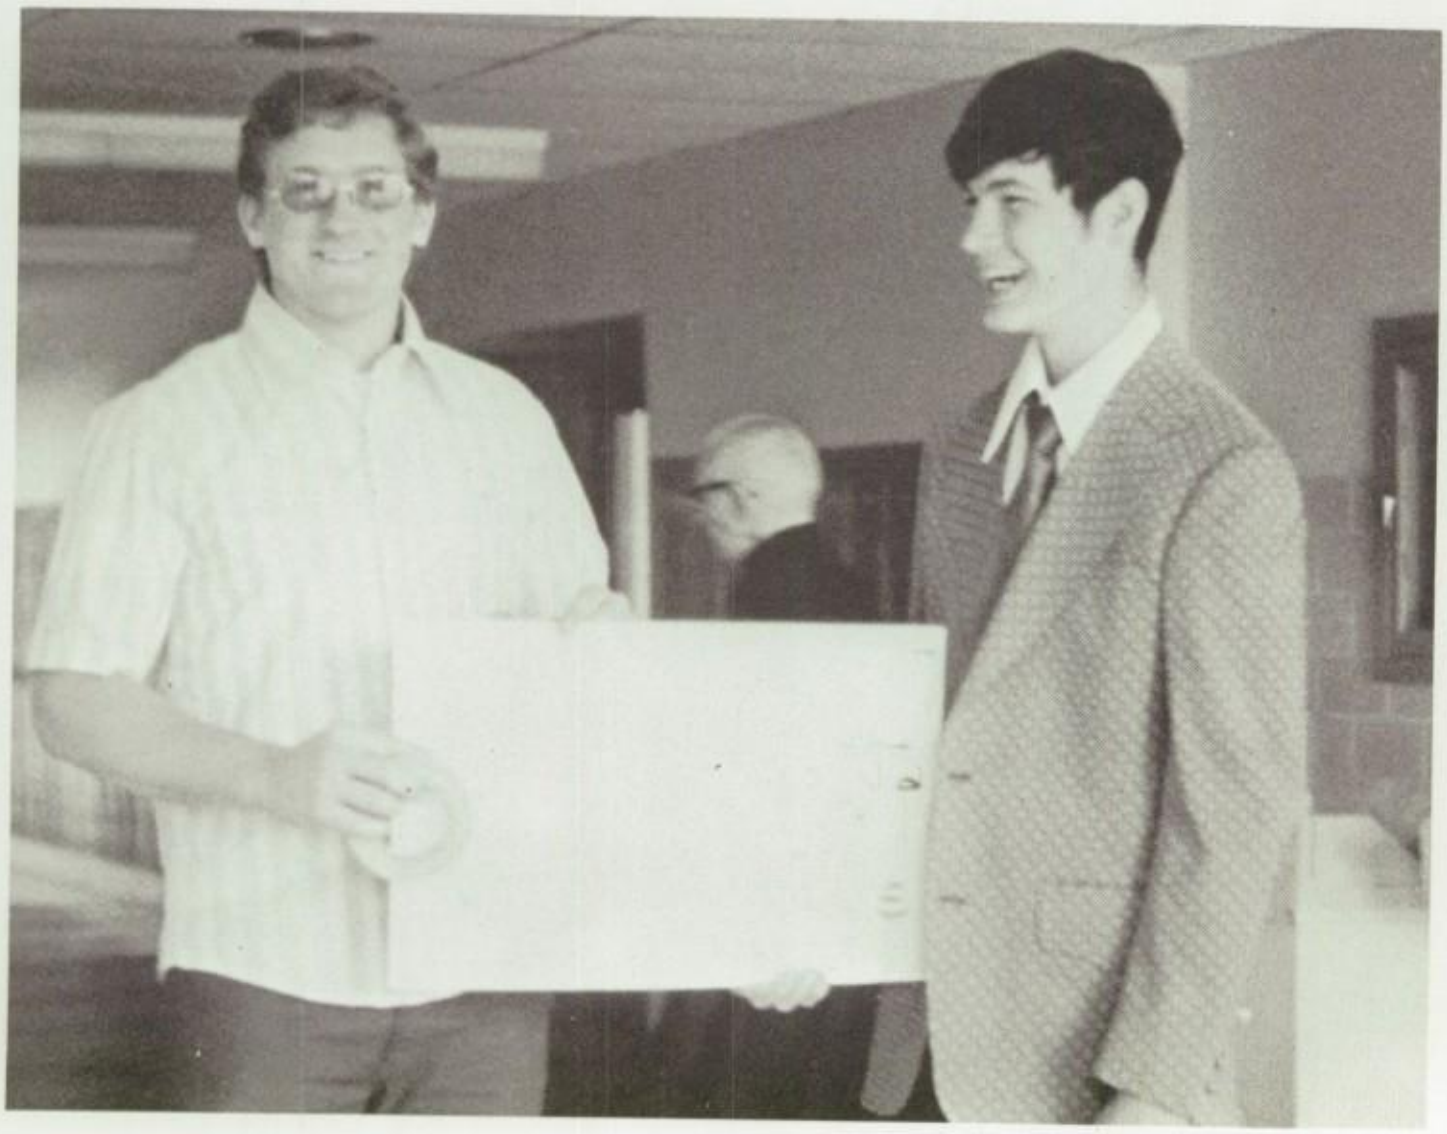
Common Goals met



Checking and hurrying, struggling to make deadlines, each person contributes toward the group's purpose and sees that the goal is met.



Personality develops

Through learning and participation in after school activities, as well as diverging interests, the student's personality is shaped.

Teamwork triumphs

Trying to reach a goal or win a game isn't easy but when one succeeds he knows that all the work and practices were necessary.

The preparation of any good yearbook takes a considerable amount of time and effort. For those on the **Valhallan** staff this was no exception. It meant writing and rewriting, editing, shifting pages and changing layouts. For many it meant giving up a large part of their Christmas vacation and working late on Saturdays.

I would like to thank Mr. Morris Ferensen, Hunter's representative, and our advisor, Br. R.D. Reeves. A special thanks must be given to the **Valhallan** staff, particularly those who willingly took on extra work and stayed extra late to see that our deadlines were met. Without them there would be no '74 **Valhallan.**

Mike Foley, editor
